For all enquiries, including claims information, and to reach IHAT, contact the AGB International Member Service Centre at the number found on Your membership ID card.

General claims information:

We reserve the right to deny any claim that is not submitted within 180 days of the **Treatment** date. Claims may only be made for **Treatment** given during a **Period of Cover**. The **Benefit** will only be available for expenditure incurred prior to expiry or termination of **Cover**.

IMPORTANT

*In order to ensure that **Members** receive the best possible claims service, the procedures noted below should be followed in the event of **Treatment** being required.*

Pre-authorisation

We require **Members** to obtain prior approval (pre-authorisation) from **Us** before commencing the following **Treatments**:

- Planned In-Patient or Day-Patient **Treatment** (hospitalisation)
- Any pregnancy or childbirth **Treatment**
- Planned surgery
- Second medical opinions
- Home nursing charges
- Planned MRI and CT Scans

Referral from a Medical Practitioner or Specialist

We will require a **Medical Practitioner's** or **Specialist's** referral to be included whenever filing a claim for the following **Treatments**:

- Chiropractic **Treatment**
- Acupuncture **Treatment**
- Osteopathic **Treatment**
- Homeopathic **Treatment**
- Podiatric **Treatment**
- Physiotherapy (additional referral by **Specialist** required after 10 sessions)

As a **Member**, **You** must, without delay, provide **Us** with written notification of a claim or right of action against a third party arising out of circumstances that created a claim under this plan. **You** must continue to keep **Us** fully informed in writing and take all steps **We** reasonably require in making a claim upon that other party. **We** are entitled to take legal action in any **Member's** name for **Our** own benefit. This includes claims for indemnity, damages or otherwise that relate to any **Benefits** and costs paid or payable under this plan. **We** have full discretion in the conduct of these proceedings and in the settlement of any claim.

All required, supporting claim documents and materials (including, but not limited to, original accounts, certificates and

x-rays) shall be provided without expense to **Us**. This includes medical reports from **Your Medical Practitioner** or **Specialist** and details of **Your** medical history, if requested by **Us**.

If **We** require medical information when considering a particular claim but it is not made available to **Us**, it is **Your** responsibility to obtain this information from **Your** current or previous **Medical Practitioner** or **Specialist**, as appropriate.

Charges from an attending **Medical Practitioner** or **Specialist** for completing claim forms are not eligible for reimbursement under the terms and conditions of this plan. **Members** will be responsible for these costs.

We realise that it may not always be possible to have **Your** claim form completed by **Your Medical Practitioner, Specialist** or **Dental Practitioner**. In certain circumstances, **We** will settle the claim, provided receipt(s) for **Treatment** are included and contain all of the following:

- The date of service
- The **Medical Condition** diagnosis
- The provided **Treatment**
- The charged amount
- The stamp of the facility concerned.

*The settlement of claims may be delayed if **You** fail to complete **Your** claim form(s) properly.* To ensure prompt settlement of any eligible claims, please ensure that **You** submit all necessary documents at the time of the claim. **We** accept copies of original receipts to initiate the claim process and to facilitate the assessment of **Your** claim (i.e. if **You** submit claims via fax or e-mail), however **We** require that **You** send the originals before any claims payment is made by **Us**.

Out-Patient Treatment

Out-Patient Treatment is **Treatment** received in a recognised medical facility and does not require admission to a **Hospital** bed.

1. For Treatment Outside the USA

Out-Patient services and **Treatment** received outside the USA are required to be paid by the **Member** at the time of **Treatment**. After paying for **Treatment**, **You** must submit a claim form to **Us**. To ensure prompt settlement of claims, please take **Your** claim form with **You** in order for it to be completed by the treating practitioner or **Specialist**.

Exceptions may be made for high cost procedures. In this case, **Members** are required to contact **Us** prior to receiving

Treatment, in order for **Us** to attempt to arrange direct payment with the medical facility concerned. Please note that not all medical facilities will accept direct payment from **Us**. In these instances, the **Member** will be required to settle the bill and submit a claim to **Us** for reimbursement.

Providing all relevant information is submitted to support **Your** claim, **We** will reimburse **You** within fifteen (15) business days of receipt, by the payment method of **Your** choice, as stated on **Your** claim form. Where this is by bank transfer, clearly state the name of **Your** bank, account number and SWIFT (or IBAN) code.

Out-Patient Treatment within the Direct Settlement Network/ Provider Network:

For those in the relevant participating countries, **We** have arranged a **Direct Settlement Network/Provider Network**, enabling **Members** to obtain **Out-Patient Treatment** (as defined in the **Certificate of Insurance**) at a number of selected medical centres where all eligible **Treatment** charges will be paid directly by **Us**.

When seeking eligible **Out-Patient Treatment** at any of the participating centres, it is important that **Members** present their personal AGB membership card to the medical centre before **Treatment** begins in order to ensure that **You** are not asked to settle any **Treatment** costs **Yourself**.

- Present **Your** AGB membership card to the medical centre on arrival.
- Have a second form of identification available should it be required by the reception staff.
- Check the claim form that the medical centre will provide after **Your Treatment** and sign it to confirm that **You** have received the **Treatment** stated.
- Settle any charges made by the medical centre, which relate to either items not covered or ineligible **Treatment** that **You** may have received.

IMPORTANT

*Please remember that **Your** AGB membership card should not be used to obtain **Treatment** which is excluded from **Cover**.*

2. For Treatment Inside the USA

Some plans allow for **Treatment** to be undertaken in the USA. Please check **Your Certificate of Insurance** to ensure that **You** have the appropriate **Cover** before undertaking any **Treatment** in the USA.

Where **Your Policy** allows, **Out-Patient** services and **Treatment** received within **Our Provider Network** can be billed to **Us** directly.

Members are required to show their membership card to the provider who will contact **Us** to confirm direct billing. This may not happen immediately and, should **You** be asked to pay for the **Treatment**, please ensure **You** state clearly to the facility that **You** wish to have **Your** bill settled directly by **Us**, and for them to contact the number on the reverse of **Your** AGB membership card.

In the unlikely event that **You** are still required to pay **Your** bill, please follow the steps as outlined in Section 1 above.

Our claims department will process the claim according to the applicable portion payable by **Us**, taking into account **Your Excess** and any **Co-Insurance** applicable. Once **Our** portion is paid, **We** will send both **You** and the provider an Explanation of Benefits (EOB) with details of settlement and a statement of what **You** are responsible for.

Day-Patient and In-Patient Treatment

Day-Patient and **In-Patient** Treatments are those that are received in a **Hospital**, and where it is **Medically Necessary** for **Members** to be admitted to a **Hospital** bed, whether or not an overnight stay is necessary. **We** require that **Our** prior approval (pre-authorisation) be obtained for all planned **Day-Patient** and **In-Patient** Treatment.

For **Emergency** admissions, the **Member**, the **Hospital** or a family member should contact **Us** to obtain authorisation prior to **Your** leaving the **Hospital**. Failure to notify **Us** of **In-Patient** or **Day-Patient** **Treatment** will mean that **You** may only be eligible for reimbursement of a proportion of the costs incurred.

1. For Treatment outside the USA

When **We** have been notified of an eligible **Day-Patient/In-Patient** stay, **We** will attempt to arrange direct billing with the **Hospital** and the **Medical Practitioners** or **Specialists** concerned. **We** will send the **Hospital** a guarantee of payment for the estimated cost of the **Treatment**, as indicated by the relevant facility/provider, which will confirm to them that the **Treatment** is covered under **Your** plan.

Release of Medical Information Form:

You will be required to complete a Release of Medical Information Form which **You** should forward to **Us** as soon as possible. Delays in completing this may result in delays in receiving **Treatment**.

Pre-certification Medical Form:

The **Hospital** is required to complete a pre-certification medical form outlining details of the **Medical Condition** and **Treatment** to be undertaken.

We cannot place a guarantee of payment without these two documents, so please ensure that the **Hospital** confirms with **You** that this has been sent to **Us**. **We** will verbally confirm that **Your Treatment** is covered under the terms of the **Group** plan. However, completion of pre-authorisation is conditional on the submission of **Our** guarantee of payment. **We** will notify **You** as soon as possible if the condition or **Treatment** required is not covered.

It is important to contact **Us** as soon as possible prior to **Treatment** to ensure **We** are able to place a guarantee of payment in time. **We** recommend that **You** do not delay **Treatment** if a guarantee is not in place at the time **Treatment** is due.

2. For Treatment Inside the USA

Some plans allow for **Treatment** to be undertaken in the USA. Please check **Your Certificate of Insurance** to ensure that **You** have the appropriate **Cover** before undertaking any **Treatment** in the USA.

Treatment received within the **Provider Network** will be billed to **Us** directly. **Our** claims department will determine what portion of the invoice is applied to **Your Excess** and which portion is payable by **Us**. **We** will send **You** and the provider copies of the Explanation of Benefits (EOB) detailing how the bill was settled and what amount **You** are responsible for.

We will notify **You** as soon as possible if the **Medical Condition** or **Treatment** required is not covered by **Your** plan.

USA Provider Network:

We have made arrangements with many **Provider Networks** in the USA, which mean that costs for **Treatment** at these facilities can be settled directly by **Us**.

Emergency/Evacuation

In the event of a true medical **Emergency** or **Evacuation**, **Members** may also contact the **Emergency Assistance Medical Helpline** at the appropriate number found on **Your** AGB membership ID card.
