

Première Plan Live

PREMIÈRE HEALTHCARE PLAN

As a Première Healthcare Plan policyholder with Aetna Global Benefits (AGB), you can now track your claims online through a dedicated website link.

Our secure Première members' website allows instant access, 24 hours a day to:

- a live update of all your claims transactions as they happen;
- details of your reimbursements for medical care, explaining item by item what treatment was received and paid for;
- the personal data we hold about you with regard to your Première Healthcare Plan account.

Top-up payments made easy

The Première product is designed to 'top-up' the healthcare payments expatriates receive via the French healthcare system - CPAM. Our dedicated website give you a clear account of your payments, helping you to see through this often complex process.

The Première web pages also give you access to information such as downloadable claim forms and product details, as well as how to contact our claims handlers.
