IMPORTANT – PLEASE READ
Completing this application

Please make sure you complete all sections. We may contact you if information is missing or with further questions. If you have any questions on completing this application or the information required, please contact us or your broker.

The questions in this application and any other information we ask for are essential for us to be able to assess whether to offer you (and your dependants) insurance, on what terms and at what price. Please take reasonable care to answer all the questions honestly and to the best of your and your dependant’s (if applicable) knowledge. If you do not answer the questions correctly, it may:

- entitle us to avoid the relevant member’s coverage under the plan, refuse all claims the relevant member has made under the plan and retain any premium paid in relation to that member,
- result in us applying different terms to the relevant member’s coverage under the plan, or
- result in us reducing a claim payment due to the relevant member to reflect the different premium which we would have charged in relation to that member.

We will not carry out any searches or contact any other person (including your doctor) to check your answers or the information you provide with this application.

You should keep a record of all information that you have provided to us. If any of the details that you give in this application are different from those that you gave when you received your initial quotation, your premium may change and special terms may be applied.

Please complete this application clearly in BLOCK CAPITALS.

If you have received a quotation from us, please write the quotation number and option number if you have one:

H Pre-existing medical conditions

Please read benefit exclusion BE1 carefully before applying for this plan. You can find this in the Plan guide and below.

You must sign this section to show that you understand and accept our 24-month moratorium. We will not process your application unless you have signed this section as well as the declaration section in this application.

It is important that you read, understand and accept all of the paragraphs in the following declaration for your UltraCare plan.

This declaration applies to you and to any eligible dependants you have included in this application.

The 24-month moratorium is a waiting period of 24 months from your date of joining, or the date shown on the special terms section of your Certificate of insurance, that must have passed before claims for pre-existing medical conditions may be eligible under the plan. Please read benefit exclusion BE1 in the Plan guide. The moratorium also applies to Travel and Maternity add-on plans.

A pre-existing medical condition or related medical condition is one that, within a 24-month period before the date of joining, or the date shown on the special terms section of your Certificate of insurance, has one or more of the following characteristics:

- was foreseeable;
- clearly showed itself;
- you had signs or symptoms of;
- you asked for advice about;
- you received treatment for;
- to the best of your knowledge, you were aware you had.

Pre-existing medical conditions or related medical conditions may be covered after you have had 24 months' continuous cover under the plan and within that time you have not:

- experienced symptoms;
- asked for advice; or
- needed or received treatment, medication or a special diet.

If you have:

- experienced symptoms;
- asked for advice; or
- needed or received treatment, medication or a special diet;

then you will have to wait until you have completed a continuous 24-month period when none of these apply to you. Pre-existing medical conditions or related medical conditions may then be covered. This is the rolling part of the moratorium.

I confirm that I have read, understood and accept this moratorium underwriting clause about pre-existing medical conditions and that it applies to any eligible dependants included in the application.
