Group application

Moratorium

Please complete this application clearly in BLOCK CAPITALS and tick the boxes where needed.

You must tell us about all material facts before we accept an application or renew the plan. All members seeking cover under the plan must take reasonable care to accurately and fully answer any questions that we ask. The questions in this application and any other information we ask for are essential for us to underwrite and administer your plan.

All members must also exercise reasonable care to make sure that all information or material facts that they supply to you or directly to us are true and correct, whether or not we have asked a question about such facts.

Material facts are those which we take into account in assessing whether to offer you insurance and, if so, at what premium and on what terms. If you have any doubt as to whether certain facts are material, please ask us or your insurance broker or intermediary if you have one.

Failure of any member under the plan to exercise reasonable care may:

1. entitle us to treat the plan as if it had never existed in relation to that member;
2. result in different terms being applied to that member under the plan; or
3. result in a claim not being paid in full or at all for that member.

Please do not assume that we will carry out any searches or contact any other person (including any medical practitioner) to check the answers to any of the questions on or information provided in this application. It remains your responsibility to complete the application and check that the information within it is accurate.

You should keep a record of all information that you have provided to us in respect of this insurance. If any of the details that you give on this application are different from the details that you gave when you received your quotation, your premium may be different.

I Declaration

I declare that to the best of my knowledge and belief, the information in this application and in the Corporate membership census (attached) is true and complete.

I have read and understood the information provided on this application and the terms and conditions shown in the Plan guide and other documentation.

I agree on behalf of the planholder and the scheme members to accept and comply with the terms of the plan and in particular:

- i) to pay the premium for all persons insured by the plan in accordance with the policy wording;
- ii) to notify Aetna promptly of any changes.

I understand and agree that, unless the agreed premium, the completed application and the details of all scheme members have been received by Aetna, no claims for treatment will be authorised for payment by the insurer.

On behalf of the planholder, I confirm that I understand that all material facts must be disclosed to the insurer prior to accepting the contract and that non-disclosure of material facts by the planholder or members may invalidate the plan. The insurer reserves the right to cancel the plan for non-disclosure of material facts.

On behalf of all persons to be covered I confirm consent to the processing and use of personal and medical details by Aetna and relevant third parties and for the purposes of processing this application, policy administration, service provision, reinsurance, claims validation and fraud prevention.

I confirm on behalf of the planholder that personal data provided to the insurer has been collected fairly and lawfully (including observing any requirement to obtain the explicit consent of members) so as to enable the processing of the personal data by the insurer. Group members have been informed that their data, including medical data, will be processed or disclosed to or transferred to any organisation for the purpose of (i) assessing this application, (ii) providing on-going insurance cover, (iii) customer service and (iv) the processing of claims. I understand that the insurer is only able to provide financial or administrative information regarding the group scheme to the scheme administrator and not details of group members' individual medical claims in compliance with data protection regulations, unless explicit consent has been obtained from the individual member concerned.

I understand that Aetna Insurance Company Limited may use organisations located in the EEA or elsewhere to process and handle data. Where an organisation is located outside the EEA, Aetna Insurance Company Limited will take all necessary steps to ensure the organisation provides appropriate guarantees in respect of the technical and organisational security measures and that transfer and processing complies with all relevant data protection and privacy laws.
