Completing this application

The questions in this application and any other information we ask for are essential for us to be able to assess whether to add you (and any of your dependents) to the UltraCare plan (and any applicable add-on plans), on what terms and at what price. Please take reasonable care to answer all the questions we ask honestly and to the best of your and your dependent's (if applicable) knowledge. If you do not answer the questions correctly, it may:

- entitle us to avoid the relevant member's coverage under the plan, refuse all claims the relevant member has made under the plan and retain any premium paid in relation to that member,
- result in us applying different terms to the relevant member's coverage under the plan, or
- result in us reducing a claim payment due to the relevant member to reflect the different premium which we would have charged in relation to that member.

We will not carry out any searches or contact any other person (including your doctor) to check your answers or the information you provide with this application.

You should keep a record of all information that you have provided to us.

If you are in any doubt as to whether an occupation is manual or dangerous or a pursuit is a hazardous one, please tell us. If we agree to provide cover, extra premiums may apply.

F Pre-existing medical conditions

We will not cover you or any of your dependants under this plan for treatment of any pre-existing medical conditions or related medical conditions, as set out in benefit exclusion BE1 of the Plan guide. We may place a moratorium period on your plan after which you may be eligible for treatment for a pre-existing medical condition.

The 24-month moratorium is a waiting period of 24 months from your date of joining, or the date shown on the special terms section of your Certificate of insurance, that must have passed before claims for pre-existing medical conditions may be eligible under the plan. Please read benefit exclusion BE1 in the Plan guide. The moratorium also applies to add-on plans.

A pre-existing medical condition or related medical condition is one that, within a 24-month period before the date of joining or the date shown on the special terms section of your Certificate of insurance, has one or more of the following characteristics:

- was foreseeable;
- clearly showed itself;
- you had signs or symptoms of;
- you asked for advice about;
- you received treatment for;
- to the best of your knowledge, you were aware you had.

Pre-existing medical conditions or related medical conditions may be covered after you have had 24 months' continuous cover under the plan and within that time you have not:

- experienced symptoms;
- asked for advice; or
- needed or received treatment, medication or a special diet.

If you have:

- experienced symptoms;
- asked for advice; or
- needed or received treatment, medication or a special diet;

then you will have to wait until you have completed a continuous 24-month period when none of these apply to you. Pre-existing medical conditions or related medical conditions may then be covered. This is the rolling part of the moratorium.

We are committed to protecting your personal data and privacy. Any personal information that we collect from you will be kept confidential and will be processed in accordance with The General Data Protection Regulation (GDPR) (Regulation (EU) 2016/679), medical confidentiality guidelines, other related legislation and our own strict internal policy.

H Declaration

I am applying to be covered under the UltraCare plan (and any applicable add-on plans) together with the dependants listed in this application, which are subject to the terms and conditions of the relevant Plan Documentation.

I confirm that I have read this application in full, understand it, have followed its instructions and agree to all of its terms.

I declare that I will inform Aetna if the answers to the questions set out in this application, or any other information I provide to Aetna in response to its questions, as applicable, change between the date of signing of this declaration and the date the cover commences.

I confirm that where the plan to which I am subscribing provides cover for a dependant, I have checked with that dependant that the information relating to him or her which I have provided you with is answered honestly to the best of my and his or her knowledge, having taken reasonable care, and that I have their consent to (i) provide the information about them in this application and (ii) make the declaration in this section H, on their behalf.

I consent, on my own behalf and on behalf of my dependants, to any personal data, including medical information, that Aetna may collect about me and my dependants being used in the way described in section G.

I authorise the doctor(s) named in sections C and D or any other medical establishment, including any other health professional who has treated me and any of my dependants included under the plan(s), to give you any information you may need in connection with this application, the plan(s) or any claim made under the plan(s).

I understand and agree that, unless the agreed premium, the completed group formation application and the details of all scheme members have been received from the planholder, no claims treatment will be authorised for payment by the insurer.

For your own benefit and protection, you should read this application and the terms and conditions shown in the Plan guide carefully before signing this declaration. If you do not understand any point, please ask your plan administrator or us for more information.
