# Before you join us

## 1 Introduction

This Handbook, and the relevant **Benefits Schedule**, details what we do and don't cover under our Aetna Pioneer plans, as well as giving you important information about managing your plan.

Please read this information carefully to make sure you're completely satisfied with the cover we're providing and that it meets your needs. If you have any questions, please contact us and we'll be more than happy to help.

We do not guarantee that your plan meets the visa and/or social health care requirements of the country you're moving to. It's your responsibility to ensure that any plan you choose meets your needs. Please ask us or your broker if you have any questions.

If coverage provided by this policy violates or will violate any United States (US), United Nations (UN), European Union (EU) or other applicable economic trade sanctions, the coverage is immediately considered invalid. For example, Aetna companies cannot make payments or reimburse for health care or other claims or services if it violates a financial sanction regulation. This includes sanctions related to a blocked person or entity, or a country under sanction by the US, unless permitted under a valid written Office of Foreign Asset Control (OFAC) license. For more information on OFAC, visit [www.treasury.gov/resource-center/sanctions/Pages/default.aspx](http://www.treasury.gov/resource-center/sanctions/Pages/default.aspx).

## 2 Eligibility and material facts

Our plans and add-on plans are available to people of most nationalities, depending on where they reside. Our plans are not available to citizens of the United States (US) who reside in the US. Please contact us if you need further information. If you are a US citizen and your chosen area of cover is Area 1, only Aetna Pioneer 5000+ is available to you.

If you are not a US citizen and your chosen area of cover is Area 1:

- If you don't live in the US, Aetna Pioneer 5000 and 5000+ are available to you
- If you do live in the US, only Aetna 5000+ is available

If you choose Area 2, 3 or 4, Aetna Pioneer 1750, 2500, 4000 and 5000 plans are available to you.

If you are a US taxpayer, please read the 'Cover in the US' section in this Handbook for more information, as this plan may not satisfy the requirements of the U.S. Patient Protection and Affordable Care Act and therefore you may be subject to tax penalties.

### Age

To be eligible for our plans, you must be at least 18 and no more than 79 years old on your start date. If you add dependent children to your plan, they must be unmarried and either aged under 18 or aged 18 to 26 and in continuous full-time education at their start date. For the latter, we may ask you to send us proof from their educational facility.

Our add-on plans have additional eligibility criteria – you'll find more details in the applicable **Benefits Schedule**.

### Material facts

You must tell us all material facts and check that they are correct before we accept an application, make changes to your plan or renew it. If you're not sure whether a fact is material, please ask us. Moratorium cover will still apply even if you tell us about any pre-existing medical conditions you might have.

You must let us know in writing immediately if any material facts change. For example, if you change your name, occupation or address. We may apply new terms to the plan, void or cancel it and/or reduce or reject any related claims, based on your new material facts.

### Voiding your plan

We'll void your plan from its start date, renewal date or change date, if you:

- deliberately or recklessly give us inaccurate or incomplete material facts, or
- don't take reasonable care to give us accurate and complete material facts and we wouldn't have covered you had we known about the material facts.

If we void your plan, we can continue to offer your dependants cover if:

- a dependant who is 18 years old or more writes to us to appoint themselves as the new planholder, or
- you write to us to appoint a parent or legal guardian to act as the new planholder. The new planholder will manage the plan but we won't cover the person.

You must appoint a new planholder within seven days of us telling you that we've voided your plan, otherwise we'll cancel the entire plan from the void date.

### Cover in the US

Your plan is a non-US insurance product that does not comply with the US Patient Protection and Affordable Care Act (PPACA). As such, your plan may not qualify as minimum essential coverage (MEC) and therefore may not satisfy the requirements, if applicable to you and your dependants, of the Individual Shared Responsibility Provision (individual mandate) of PPACA. Failure to maintain MEC can result in US tax exposure to you.

You may wish to consult with your legal, tax or other professional adviser for further information. This is only applicable to certain eligible US taxpayers.

Accordingly, we reserve the right to cancel your cover immediately if you have Area 1 cover and you are:

- a US citizen residing in the US for 36 days or more (consecutively or in aggregate) during any 12 month period; or
- not a US citizen and you spend more than 183 days (consecutively or in aggregate) in the US over three plan years.

### 3 Plan currencies, premiums and ways to pay

When you take out your plan, you can choose from the currencies available on your application form. You must pay all premium in the same currency as your plan. Your cover won't be able to start until we've received your premium (which must be on or before the premium due date).

If more than one currency is shown on your Benefits Schedule, the benefit limits shown in the same currency as your plan will apply to you and your plan.

You can pay your premium in a single annual payment or by quarterly or monthly instalments, depending on the plan you choose and the method you wish to pay by.

#### Paying by card

##### Pay annually

To pay annually by debit or credit card, contact us by email or telephone, or fill in the Card authority in your application form.

#### Paying by bank transfer

##### Pay annually

To pay annually by bank transfer, you'll need your quotation number or plan number to hand. Follow the instructions on your application form.

#### Paying by cheque or banker's draft

##### Pay annually

Your invoice will show details of how much to pay. When paying by cheque or banker's draft, you must give your full name and the quotation number or plan number as the reference.

#### Unpaid or late premiums

We'll write to tell you if we haven't received or haven't been able to collect your premium on time.

We'll cancel your plan if we don't receive payment within 30 days of the premium due date. You'll then have to apply for a new plan if you would still like us to cover you.

Your premium and terms may change and you'll lose any existing Healthy Behaviours Discount from your cancelled plan (see section 13 Claims).

### 4 Your plan start date and cooling off period

Your plan will start on the plan start date you request; this date will show on your Certificate of Insurance. Your plan will cover you for 12 months until your plan renewal date, unless you cancel your plan.

#### Cooling off period

You have the right to cancel your plan for any reason by writing to us or calling us within 15 days of receiving your plan documentation, or the plan start date, whichever's later.

We'll refund your premium in full if you haven't (and any other member hasn't) made a claim under the plan. If you've made a claim and we haven't paid you or a medical provider for it, we'll refund your premium and cancel any unpaid claims.

However, if you have (or any other member has) made a claim and we have paid for it, we won't refund your premium and you must still pay us any unpaid premium due for the remainder of the plan year.

We can only refund premium to the bank account or card you originally paid from. You'll be responsible for any shortfall from exchange rate differences and any bank charges.

To cancel your plan after the 15 day cooling off period, see section 11 Cancelling your plan.

If **you** and/or your **dependants** are working, residing or spending time in sanctioned countries or regions, please let **us** know immediately. Sanctioned countries and regions currently include Crimea (annexed region of Ukraine), Cuba, Iran, North Korea, Sudan (North) and Syria. This list is subject to change based on changes in financial sanctions regulations. In addition, there are other countries subject to less broad sanctions than the countries/regions listed here. For more information, visit [www.treasury.gov/resource-center/sanctions/Pages/default.aspx](http://www.treasury.gov/resource-center/sanctions/Pages/default.aspx).

We may modify **our** products, services, rates and fees, in response to legislation, regulation or requests of government authorities, these modifications may result in material changes to **plan benefits**. We may recoup any material fees, costs, assessments, or taxes due to changes in the law even if such changes require no **benefit** or **plan** changes.

## 6 Clinical policy bulletins

For information on how we classify certain **treatments** and services, visit [aetna.com/health-care-professionals/clinical-policy-bulletins.html](https://www.aetna.com/health-care-professionals/clinical-policy-bulletins.html). Our clinical policy bulletins (CPBs) are based on objective and credible sources, including scientific literature, guidelines, consensus statements and expert opinions.

They're not a description of cover or confirmation that we cover these **treatments**, services or costs under your **plan**. If there's a discrepancy between a CPB and your **plan**, your **plan** terms will apply.

## 7 Help us prevent fraud

Fraud is a crime and health care fraud increases **premiums** for **our** customers. With your help, we'll do **our** utmost to detect and eliminate it.

Health care fraud includes:

- giving false or misleading information to get insurance or a **premium** reduction
- claiming for **treatments** or services that **you** haven't received
- altering or amending invoices or bills
- giving a false diagnosis
- claiming from more than one insurer for the same **treatment** or service
- using somebody else's insurance to get **treatment** or services.

## How you can help protect yourself and keep premiums down

There are simple steps **you** can take to protect yourself from health care fraud, including:

- comparing invoices with your records, checking dates are correct and that **you** received the **treatments** or services shown
- asking questions if there's anything **you're** unsure about, don't understand, expect or recognise
- keeping in touch with **us** when **you've** made a **claim**
- letting **us** know if **you're** concerned your doctor is giving **you** unsuitable **treatment**
- filling in claim forms carefully
- looking after your insurance details and documents and keeping copies of any correspondence
- making sure **you** understand any documents before **you** sign them
- reporting suspected fraud to **us**.

## We work closely with others to prevent fraud

We're committed to protecting **you** against fraud and also have statutory responsibilities to prevent **our** products from being used for financial crime. We work with other bodies such as international insurance bodies, international police, investigative agencies and government departments to do this.

## If you suspect fraud

# While you're with us

## 8 Making changes to your plan

### Notifying us of changes

When **you** request to make a change to your **plan**, **you** must take reasonable care when answering any questions **we** ask – please read 'How to answer **our** questions' in section 2 Eligibility and material facts for more details.

**You** must tell **us** immediately in writing about changes to the following and when such changes will take (or have taken) place:

- name or gender of a **member**
- occupation of a **member**
- address of a **member**, particularly if this is a change to the country in which a **member** lives, or
- any information given to **us** by **you** in relation to your **application** and/or any changes since.

After **you** tell **us** about a change, depending on the nature of the change, **we** may:

- charge **you** additional **premium** (including any applicable tax)
- change the relevant **member's** **benefits**
- apply different terms to the relevant **member's** coverage under the **plan**
- cancel the relevant **member's** coverage under the **plan**
- send **you** a new **Certificate of Insurance** and a new **Member ID card** (or cards, if there are other **members**), or
- reassess or reject any related **claim** of the relevant **member**.

Note that **we** may charge **you** an administration fee to replace any **plan** documentation or **Member ID card**.

**You** can't change the following during your **plan year**, but **you** can write to **us** to ask **us** to change these when your **plan** renews for the next year:

- your **plan** level
- your optional **benefits** including taking out an **add-on plan**
- your **excess** or **coinsurance**
- your **plan** terms, or
- your **plan** currency.

**You** must tell **us** all **material facts** when making a change.

## 9 Adding and removing dependants

### Adding a dependant

With **our** agreement **you** may add a **dependant** to your **plan** after the **plan start date**. Please contact **us** and **we**'ll let **you** know the information **you**'ll need to provide **us**, which may include completing an application form for the **dependant**, and how **we** may change your **premium** as a result. **We**'ll send **you** your revised **Certificate of Insurance** and the new **dependant's** **Member ID Card** each time **we** add a **dependant** to your **plan**.

### Start dates for added dependants

If, on the date **you** contact **us** to add a **dependant**, that **dependant** is less than 31 days old and **we** have covered one of the **dependant's** parents for a continuous period of at least 12 months, **we**'ll add the **dependant** to your **plan** regardless of the **dependant's** health with effect from the **dependant's** date of birth. There is no need to complete an application form.

To add any other **dependant** to your **plan**:

- if your **plan** has a **moratorium**, **we**'ll cover the **dependant** from the date on which **you** contact **us** or from a later date that **you** may request and a new **moratorium** will apply for that **dependant**. There is no need to complete an application

form; or

- if your **plan** does not have a **moratorium**, **we**'ll (based on a completed application form for the **dependant**) either cover the **dependant** from the date on which **you** accept any terms **we** offer in relation to such **dependant** or decline to add the **dependant** to your **plan**. If **we** decline to add a **dependant**, **we**'ll explain to **you** the reason for this in writing.

The terms of your **plan** will apply to any **dependant** **you** add. Please note in particular exclusion 14.16 which excludes any **inpatient treatment** for an **acute medical condition** that begins before the **dependant** is eight days old if the pregnancy was achieved by assisted conception.

### Removing a dependant

Please tell **us** in writing if **you**'d like to remove a **dependant** from your **plan** and **we**'ll do so. The **dependant's** **end date** will be the date that **we** receive the request, or a future date that **you** have given.

**You**'ll also need to tell **us** if there are any outstanding **claims** for their **treatment** or services and if **you**'ve incurred any further costs in relation to your **plan**.

If there aren't any **claims** paid or pending for any **member** on the **plan**, **we**'ll issue a pro-rated refund of the removed **dependant's** **premium**.

If **you**'re waiting for **us** to approve or pay a **claim**, **we** can't approve it unless **we**'ve received all **premium** for the entire **plan year**. If any **member** on the **plan** has made any **claims** that **we** have approved and paid, no refund will be issued and all **premiums** must be paid for the entire **plan year**.

When **you** remove a **dependant**, **we**'ll send you a new **Certificate of Insurance** to reflect such removal.

## 10 Transferring dependants onto your plan

If **you**'d like to transfer someone from another insurer to your **plan**, they'll need to complete a **Continuous Transfer Terms (CTT)** application form and send **us** the original Certificate of Insurance or other evidence from their previous insurer which shows:

- their original start date with that insurer,
- their underwriting terms, and
- any special terms that may have applied.

If there's a break between the end date of their previous insurance plan and their **application**, **we** won't be able to offer a transfer on the same or similar terms as the previous plan.

If **we** accept the **application**, **we** may charge an increased **premium**. Their cover will begin on the date **we** receive your acceptance of any special terms **we**'ve applied, or on a future date **you** request following **your** acceptance of those terms, and **we** have agreed.

## 11 Cancelling your plan

**You** must write to **us** if **you** decide to cancel your **plan**. Your last day of cover will be the date **we** receive your written decision to cancel or on a future date **you** give **us**.

If no **member** has made any **claims**, or will make any **claims**, **we**'ll issue **you** a pro-rata refund of **premium**.

If **we** have not paid **you** the costs for any **claims**, but any **member** has made **claims** that **we** have not yet approved, or will make any **claims**, **we** won't approve or pay these costs unless **we** have received all **premium** for the entire **plan year**. **We**'ll issue **you** a pro rata refund of **premium** if **you** confirm to **us**, in writing, that **you** do not want **us** to approve any such **claim**.

If, before the cancellation date, a **member** has made a **claim** and **we** have approved it, **we**'ll only pay **you** the costs for any **claim** before the cancellation date when **we** have received all **premium** for the entire **plan year**. **We**'ll issue **you** a pro rata refund of **premium** only if **you** pay any costs incurred before the cancellation date.

If **we** have approved and paid any **claim** before the cancellation date, **we** won't issue **you** a refund of **premium** and **you** must pay **us** all **premium** for the entire **plan year**.

**We**'ll charge **you** a cancellation fee of 170 USD or HKD equivalent depending on your **plan** currency, and **we** may also charge **you** an additional fee if there are further or unexpected costs.

**We**'ll pay **you** any refunds to the account **you** originally paid from, less any shortfall as a result of exchange rate differences and any associated bank charges.

**You** must return the **Certificate of Insurance** and all **Member ID cards** to **us** on cancellation.

If **you** want to apply for a new **plan** after cancelling your existing **plan**, your **premium** and terms may change and **you**'ll lose any existing Healthy Behaviours Discount from your previous **plan**.

## 12 What happens if you die

If **you** die, the other **members** on the **plan** will be able to apply for continued cover under the **plan** by sending **us** a signed application form within four weeks of your date of death. **We** cannot guarantee cover, **we** may apply new terms and the **premium** may change.

Your **personal representative** can cancel the **plan** in writing. If **you** haven't made any **claims**, **we**'ll issue a pro-rata refund of the **premium** once **we**'ve received a certified copy of your death certificate. **We**'re unable to issue **premium** refunds if **we**'ve paid a **claim**.

## 13 Claims

The operator should then connect **you** to **our** international helpline at no charge to **you**.

## What can you claim for?

Only qualified **medical practitioners, specialists, nurses** or therapists with the aim of curing or substantially relieving your **medical condition** must treat **you**. Only psychiatrists or qualified and registered psychotherapists or psychoanalysts may give **you** psychiatric treatment, and only a **medical practitioner** or **specialist** can refer **you** for physiotherapy, podiatry, osteopathic and chiropractic treatment.

If the **medical practitioners, specialists, nurses** or therapists refer **you** for further **diagnostic tests and procedures** or **treatment**, **you** must start treatment within 90 days of the referral date for **us** to be able to pay your costs.

**You** must tell **us** about a **claim** within 180 days of receiving the **treatment** or services. If **you** leave it longer, **we** may not be able to reimburse **you**.

**We**'ll only pay reasonable costs for **claims**. Reasonable costs are the average cost of **treatment**, expertise or services given by similar types of medical provider within the same country or geographical region, based on **our** knowledge and experience.

**We**'ll pay for **hospital** accommodation (including meals) up to the cost of a standard single room with a private bathroom.

If **you** incur costs above the limits shown in your **Benefits Schedule** or **you** use a **visiting doctor** whose costs are higher than those of a medical facility's in-house doctor, **you**'ll have to pay the difference.

## What you need to know when claiming

We'll email **you** a **Member ID card** (or cards, if there are other **members**) when your **plan** starts. **You** must show your **Member ID card** to the medical provider when **you** go for **preauthorised inpatient treatment** or **daycare treatment** (please see the section called 'Requesting preauthorisation' below for more details). If **you're** entitled to **direct settlement**, **you** must show this card when getting **outpatient treatment** at a **direct settlement** facility.

**You'll** need to quote your **plan** number and **Member ID** in all correspondence with **us** relating to your **claim**.

Keep copies of the information about your **claim** for your own records. **We** won't be able to return any original **claim** documents to **you** after **we've** paid the **claim**.

**We** may ask **you** for more information to help **us** process your **claim**, and **we** may ask a **specialist** or **medical practitioner** of our choice to examine **you**.

**We** may also request further tests or evaluations if **we** decide that a **medical condition** may be directly or indirectly related to a **medical condition** **we** do not cover **you** for. **We** may decline your **claim** if **we** don't have sufficient information to assess it.

**You** must tell **us** about any negotiations or settlement discussions **you** enter into with any other party about any action or omission which leads to a **claim** under your **plan**. **You** mustn't agree to a settlement with any party without **our** prior written agreement.

## Requesting preauthorisation

Before **you** make a **claim**, please read your **Benefits Schedule** to make sure your **plan** covers the **treatment** **you** need.

**You** need to request **preauthorisation** before **you** receive any **treatment** or services, or incur any costs, if **you** want **us** to meet such costs in accordance with your **plan** for any of the following:

- medical evacuation
- **inpatient treatment** or **daycare treatment** admission
- preparation or transportation of body or mortal remains
- psychiatric **treatment**
- prescription for more than three months' supply of drugs for

the management of a **chronic medical condition**

- single **treatment** or service that costs more than 500 USD or its equivalent in another currency

If it's not possible to request **preauthorisation** in an **emergency**, **you** must notify **us** of the **treatment** or services within 24 hours. If **you** fail to notify **us**, **we** may pay only a portion of an eligible **claim**.

**We'll** liaise with your medical provider during your **claim**. If necessary **we'll** provide **you** with a 'Release of medical information' form. **You'll** need to fill in this form to authorise your **medical practitioner** or **specialist** to release information to **us** about **you** under relevant data protection legislation.

If **you** have an eligible **claim** **we'll** issue a letter of guarantee of payment to your medical provider. **We'll** let **you** know as soon as possible if **you** have an ineligible **claim**.

When calling to request a **preauthorisation**, make sure **you** have your **Member ID card** to hand, your **medical practitioner** or **specialist's** name and the medical provider's name and telephone number.

If **we** give **you** **preauthorisation**, **we'll** settle all eligible **claims** directly with your medical provider. If **we** are unable to settle your eligible **claims** directly, **we** will reimburse **you** instead.

## Inpatient, daycare and outpatient direct settlement

If **you're** admitted to a **hospital** which is in **our medical provider network** or **you** receive **daycare treatment**, **we'll** take care of your eligible **claims** for such **hospital** bills. **You** don't have to worry about paying large bills upfront. All **you** have to do is pay the relevant **excess** or **coinsurance**. If your **plan** **benefits** from **outpatient direct settlement** (which can be referred to as direct billing), **we'll** pay your eligible **outpatient** bills directly to any medical provider which is in **our medical provider network** so that **you're** not out of pocket. If the relevant medical provider is not in **our medical provider network**, **we'll** reimburse **you** for any eligible **claims** instead.

## How to make a direct settlement claim on an outpatient basis

**You** must:

1. Check that **we** cover your **treatment** under your **plan**; if **you're** not sure, please contact **us**.
2. Visit a medical provider within **our** network for **outpatient treatment**.
3. Show your **Member ID card** to the relevant medical provider. The provider should then treat **you** and liaise with **us** to settle your **claim** (subject to point 4).
4. Pay any **excess** or **coinsurance** shown on your **Member ID card** or in your **Benefits Schedule**.

## How to make a claim for outpatient treatment

**You** must:

1. See your **medical practitioner**, therapist or **specialist** in the usual way.
2. Ask your medical provider to complete the relevant section of the **claim** form which **you** can download from [aetnainternational.com](https://www.aetnainternational.com).
3. Pay your bill for the **treatment** **you** receive. Make sure **you** get an original itemised invoice and/or original receipt.

Complete one **claim** form for each **medical condition**. Send your **claim** form to **us** at [AsiaPacServices@aetna.com](mailto:AsiaPacServices@aetna.com) along with scanned copies of any supporting documents.

4. Or **you** can submit a **claim** online by completing the form and uploading scanned copies of any supporting documents to the 'Claims Centre' in the Health Hub.

**You** should send **us** these documents as soon as possible (and in any event no later than six months) after the first **treatment** date.

## Ineligible claims

If **you** attend a **direct settlement hospital**, clinic or other medical facility in **our medical provider network** and **we** later determine that your **claim** is ineligible, **we** have the right to recover the full **claim** amount from **you**. If **we** pay a **claim**, it isn't an indication of our acceptance of liability for the **claim** or confirmation that **we'll** pay further costs for the same **medical condition** or **related medical condition**.

If **we** determine that a **claim** **we've** already approved is ineligible, **we** won't pay for the **claim**. If **we've** already paid any costs, **you'll** need to repay them to **us** within 14 days or **we** may withdraw any associated **preauthorisation**, cancel your **plan** and keep the **premium**. If **you'd** like **us** to reassess a **claim** **we've** rejected, **you'll** have to prove that the **claim** is covered under the **plan**.

## Stay healthy to save

If **you're** a **member** of an Aetna Pioneer 4000, 5000, or 5000+ **plan**, **you** can take advantage **our** Healthy Behaviours Discount programme by logging in to the Health Hub. If your plan stays claim-free for one or more **plan year(s)**, **you'll** receive a discount of up to 25% over five years. However, if **you** submit an eligible **claim** for a previous **plan year** after **we've** given **you** a Healthy Behaviours Discount, the discount will be removed and **you'll** need to pay the full, undiscounted **premium** before **we** can pay your **claims**.

## Exchange rate

If, acting reasonably, **we** determine that any central bank or relevant government or governmental authority imposes an artificial exchange rate (including without limitation an exchange rate which is inconsistent with the free market exchange rate) in relation to a relevant currency for any reason, **we** may in **our** sole discretion reimburse **you** for your valid **claims** incurred in that country in any manner **we** may reasonably decide. In making such determination **we** shall seek to ensure that **we** indemnify **you** for your loss (subject to the terms and conditions of your policy) but do not unjustly enrich **you** as may have been the case had **we** applied such artificial exchange rate to pay **you** in the **plan** currency. **We** will reimburse **you** in (i) the applicable local currency, or (ii) if **you** do not have a bank account in such local currency, in the **plan** currency in an

amount equal to the applicable Reasonable and Customary Charges. In either case, the reimbursement will be subject to the principle of indemnity **we** mention above.

## Other insurance

If another insurer covers an eligible **claim** under your **plan**, **we'll** deduct any payments **you've** received from the other insurer (plus any **excess** or **coinsurance** amounts under your other insurance **plan**).

## Claims against third parties

If **we** have paid money to **you** (or to a medical provider on your behalf) in accordance with this **plan**, and **you** are entitled to receive money from any other party (including another insurer) for the same **claim**, **we** have the right to proceed against such other party in your name and to recover from **you** the money **you** receive (or have received) from such other party, up to and including the amount that **we** have paid.

**You** must notify **us** immediately in writing if **you** pursue or intend to pursue another party for such **claim**. **We** shall then decide whether or not to exercise **our** right under this section.

**You** must cooperate with **us** if **we** exercise this right.

Unless **you** have **our** prior written consent, **you** must not admit liability or fault to, or agree to a settlement with, such other party.

## 14 Exclusions

Your **plan** doesn't cover **claims** for, arising from or connected to the exclusions in this section unless shown otherwise in your **Benefits Schedule** or **we've** agreed separately in writing, and **we'll** seek to recover from **you** any payments **we've** made if **we** determine an exclusion applies to a **claim we** have already paid.
