Good to know

Eligibility

This plan is only available to female members. You can only join this plan between the ages of 18 and 44 inclusive. Once you have reached the age of 46 during your plan year, your Aetna Maternity plan will not be renewed.

Before you're treated

It's important you get our approval (also known as preauthorisation) before you're treated for the following treatments and services:

- Medical evacuation
- Inpatient or daycare treatment admission
- A single treatment or service that costs more than 500 USD or equivalent

If you're unable to ask for approval because it's an emergency, you or someone on your behalf must let us know about the emergency within 24 hours. You'll find more information about claiming in your Handbook.

Your deductibles

Coinsurance

The maternity coinsurance you choose when you first join the plan as shown on your Certificate of Insurance will apply for the first 24 months continuous cover under the plan after which time you have the option to change your coinsurance at renewal.

What's covered

1 Overall plan limit

We'll pay reasonable costs up to the overall **plan** limit in each **plan year**. **Benefit** limits shown as 'Paid in full' are subject to the overall **plan** limit. All **benefit** limits in this document apply to each pregnancy. If your pregnancy spans more than one **plan year**, any **benefit** we paid under your Aetna Maternity **plan** for **treatment** or services received by **you** in the **plan year** when the pregnancy began will be taken from the **benefit** limit in the following **plan year**.

3 Medical evacuation

The costs to transport **you** to the nearest appropriate medical facility for **treatment** for an **emergency** medical maternity complication when **treatment** isn't available locally.

This **benefit** also covers the costs for any **emergency treatment** **you** receive during the journey.

If **you're** transported outside your **area of cover**, **you'll** need to pay any costs **you** incur in the country **you're** evacuated to under the sections of this **Benefits Schedule** that normally apply when **you're** within your **area of cover**.

Economy class travel costs for **you** to go back to your **country of residence** or your **home country** after an **emergency** medical evacuation.

Costs of one **dependant** or companion having to accompany **you**, or to travel at the same time if they are not able to accompany **you** during the actual **emergency** medical evacuation. This **benefit** will only become available if your **medical condition** is **critical** or **you're** expected to stay in **hospital** for seven or more nights.

For the duration of your evacuation and period of admission **we'll** cover:

- Costs for return economy class travel, including taxi transfers to and from the hotel on arrival and departure
- A taxi from the hotel to the **hospital**, and back, once a day
- Reasonable overnight accommodation costs, to include breakfast

The costs to transport **you** to appropriate medical facilities to receive **treatment** related to your pregnancy when it's not an **emergency**.

We'll cover costs for return economy class travel to a location of your choice within your **area of cover** if:

- **we** agree appropriate **treatment** is not available locally, and
- **we** agree appropriate **treatment** is available in your chosen location.

We'll also pay for airport taxi transfers.

You are limited to three return journeys for each pregnancy.
