Summit for groups

Employee Assistance Programme

Staying on top of the demands of work, family and finances can be challenging. Our Employee Assistance Programme (EAP) helps employees stay productive in the workplace while taking care of personal issues. This programme gives your employees access to confidential counselling from behavioural health experts in 180 countries around the world. It is made possible through collaboration between our in-house experts, based in the United States, and our global partner, WorkPlace Options.

Summit 2500

Online self-help programmes and telephone counselling

Summit 4000, 5000, 5000+

Online self-help programmes, telephone and in-person counselling
