Good to know

Using this Benefits Schedule

Some words and phrases have specific meanings, we've highlighted them in bold print and you'll find their definitions in your Handbook.

This Benefits Schedule details the plan benefits available under the core Aetna Summit plan. The plan sponsor may also be able to add and remove benefits, and increase or decrease benefit limits to enable them to custom-build a solution that's right for them and their business.

Before you're treated

It's important you request our approval before you receive treatment for the following treatments and services:

- Medical evacuation
- Inpatient or daycare treatment admission
- Psychiatric treatment
- Prescription for more than three months' supply of drugs for a chronic medical condition
- Single treatment or service that costs more than 500 USD or equivalent

If you're unable to ask for approval because it's an emergency, you or someone on your behalf must let us know about the emergency within 24 hours.

Your deductibles

Annual excess

An annual excess applies to Aetna Summit 1750. This is the total excess each member needs to pay towards claims in the plan year and applies to all benefits, except where explicitly stated in sections: [6 Cancer Care](#), [19 Dental treatment](#), [20 Optical care](#), [21 Wellness](#), [22 Pregnancy and Childbirth](#) and [24 Hospital cash](#). Your chosen annual excess is shown on your Certificate of Insurance.

Outpatient coinsurance

We'll apply your level of outpatient coinsurance, as shown on your Certificate of Insurance, to outpatient claims. Once the total amount of outpatient coinsurance you have paid in a plan year reaches the maximum amount, you won't have to pay any more outpatient coinsurance.

Dental coinsurance

We'll apply our dental coinsurances to dental claims under the dental benefits only. See [19 Dental treatment](#).

What's covered

1 Overall plan limit

We'll pay reasonable costs for **benefits** up to the overall **plan** limit for each **member** in each **plan year**. **Benefit** limits shown as 'Paid in full' are subject to the overall **plan** limit for each **member** in each **plan year**.

If **you** are a Hong Kong resident, costs for **hospital** accommodation, **treatment** and services in Hong Kong will only be paid up to the reasonable and customary rates associated with a semi-private dual occupancy room. This applies for all **inpatient** and **daycare** costs covered under:
