You must tell us about all material facts before we accept a proposal or renew the plan. A material fact is information likely to influence us in assessing and accepting the Takaful cover. If you do not tell us all material facts or if you misrepresent any material facts, this may render the Takaful cover voidable from inception (the start of the contract) and enable us to repudiate liability (entitle us not to pay your claims). If there is any doubt about whether a fact is material, for your own protection, you must tell us.
