For a full description of cover, please refer to the Aetna Pioneer Benefits schedule available at www.aetnainternational.com.

If coverage provided by any insurance policy violates or will violate any U.S., UN, or EU or other applicable economic or trade sanctions, the coverage is immediately considered invalid. For example, Aetna companies cannot make payments or reimburse for health care or other claims or services if it violates a financial sanction regulation. This includes sanctions related to a blocked person or entity, or a country under sanction by the United States, unless permitted under a valid written Office of Foreign Assets Control (OFAC) license. For more information on OFAC, visit <http://www.treasury.gov/resource-center/sanctions/Pages/default.aspx>.

Choose your area of cover

The area of cover you choose helps to shape your plan and premium. You have the choice of six areas of cover if you live in the Asia Pacific region:

- **Area 6** will give you cover in Asia (excluding China, Hong Kong and Singapore), plus Africa and the Middle East (excluding Kuwait, Qatar and the UAE)
- **Area 5** includes cover for all the locations in Area 6, plus Europe and Latin America
- **Area 4** includes cover for all the locations in Area 5, plus Australia, New Zealand, Kuwait, Qatar, Singapore and the UAE
- **Area 3** includes cover for all the locations in Area 4, plus China
- **Area 2** provides worldwide cover excluding the U.S.
- **Area 1** provides worldwide cover including the U.S.

Please note that Area 1 is only available with Aetna Pioneer 5000.

Choose your underwriting option

We underwrite our plans on either a Full Medical Underwriting (FMU) or a 24-month moratorium basis.

Our Full Medical Underwriting option covers pre-existing medical conditions. To apply for this option, you will need to submit a full medical declaration for us to assess. We will agree to either accept all or some of your pre-existing medical conditions and may charge an increased premium, exclude all of your pre-existing medical conditions, or decline cover altogether.

You also have the option to apply for moratorium underwriting. This option will exclude coverage for pre-existing conditions that have shown symptoms or required treatment in the 24 months before your plan start date.

Choose your excess or coinsurance

Each Aetna Pioneer plan comes with a standard excess or coinsurance, depending on the plan you choose. This is the amount that you will pay towards a covered claim.

You can select a higher excess or coinsurance to benefit from generous savings on your Aetna Pioneer plan.

Alternatively, by paying a surcharge, you can choose to have no excess or coinsurance so that you can enjoy the full benefit of your cover.

For a full description of your cover options, please refer to the Aetna Pioneer Benefits schedule and Handbook, available online at www.aetnainternational.com.

Hassle-free health

If you are admitted to hospital or you receive daycare treatment, we will take care of your eligible hospital bills directly with the medical provider no matter which Aetna Pioneer plan you choose. You don't have to worry about paying large bills up-front. All you have to do is pay an excess or coinsurance, if your plan has one.

If you choose an Aetna Pioneer 2500, 4000 or 5000 plan, you also have the option to add direct billing to enjoy the convenience of your outpatient bills being paid direct to the medical provider.

Our provider network is one of the world's largest with more than 1.1 million medical providers in the U.S. and 165,000 medical providers globally – and it's growing every day.

Here are just a few of the advantages of our network:

- Lower out-of-pocket costs at the point of service
- No need to claim for reimbursement of outpatient costs
- Medical bills settled directly with the medical provider

Wellness is a lifelong path, and the route is different for each individual. Your journey begins the moment you become engaged in your own well-being. We support you wherever you are on that path – whether you're healthy, at risk of disease, managing a chronic condition or going through a major health event, such as recovering from surgery.

As part of our promise to help you realise the best possible health and to be rewarded for it, we have created the Healthy Behaviours Discount available on Aetna Pioneer 4000 and 5000.

You simply take our online Health Assessment once you have purchased your chosen Aetna Pioneer plan. This gives you information about your personal health needs and helps you to want to make lasting positive changes in your life. The tool also helps you to understand possible health risks, and provides an action plan and information to encourage healthy behaviour.

If your plan stays claim-free for more than one plan year, you can enjoy a discount of up to 25% on your renewal premium. As we want to help you stay healthy, you can claim for routine health checks without losing your discount.

The Health Assessment is available by logging into the Secure Member Website at **www.aetnainternational.com**.
