I am applying to be covered under the Aetna Pioneer plan and any add-on plans I have chosen together with the dependants listed in this application. I have read, understood and agree to keep to the terms and conditions shown in the Handbook, along with all eligible dependants included in this application or any dependants I enrol in the future after the start date of the plan. I confirm that I have authority to give Aetna information about my family members referred to in this application and where necessary that I have checked with them that the information I have provided is correct. I confirm that to the best of my knowledge, the information I have provided in this application is complete and accurate and that it contains all the information required for the underwriting option I have selected.

By agreeing to the terms and conditions I consent to any personal data, including medical information, that you may collect about myself and my family members and dependants, being processed by Aetna.

I authorise the doctor named in section H or any other medical establishment, including any other health professional who has treated me and any of my dependants included under this plan, to give you any information you may need in connection with any claim made under these plans.

I understand that if I do not provide the information asked for in sections F, H, I and N (if applicable), and I or any of my dependants included under these plans make a claim, which you view as being treatment for a pre-existing medical or related medical condition, the claim may be rejected.

I understand that should I or one of my dependants attend a hospital, clinic or medical facility where direct billing or cashless arrangements are in place and my claim is subsequently found to be ineligible, Aetna has the right to recover the full amount of the ineligible claim from me or one of my dependants.

I understand and agree that this declaration and the information in this application will form the basis of the contract between me, my dependants and Aetna Insurance Company Limited (Singapore Branch). After reading all the terms and conditions and documents you have given me, I am satisfied that the products I have chosen meet my needs at this time.

For plans sold in Singapore:

- I declare that I have received a copy of the Your Guide to Health Insurance and Product Summary and that the contents of these documents have been explained to me.
- I am aware that I can seek advice from a qualified advisor before I sign this application/proposal form. Should I choose not to, I take sole responsibility to ensure that this product is appropriate to my financial needs and insurance objectives.

For your own benefit and protection, you should read the terms and conditions shown in the Handbook carefully before signing this declaration. If you do not understand any point, please ask for more information.
