## Using this Benefits Schedule

Some words and phrases have specific meanings, we've highlighted them in bold print and you'll find their definitions in your Handbook.

This Benefits Schedule details the plan benefits available under the core Summit plan. The plan sponsor may also be able to add and remove benefits, and increase or decrease benefit limits to enable them to custom-build a solution that's right for them and their business.

## **Before you're treated**

It's important you request our approval before you receive treatment for the following treatments and services:

- Medical evacuation
- Inpatient or daycare treatment admission
- Psychiatric treatment
- Prescription for more than three months' supply of drugs for a chronic medical condition
- Single **treatment** or service that costs more than 500 USD or equivalent

If you're unable to ask for approval because it's an emergency, you or someone on your behalf must let us know about the emergency within 24 hours.

## **Your deductibles**

#### **Dental coinsurance**

We'll apply our dental coinsurances to dental claims under the dental benefits only. See 19 Dental treatment.
