Good to know

Using this Benefits Schedule

Some words and phrases have specific meanings, we've highlighted them in bold print and you'll find their definitions in your Handbook.

This Benefits Schedule has two broad sections; the first section covers benefits available anywhere within your chosen tier and area of cover.

The second section covers benefits available only within Tier 4. If your medical condition is an emergency, tiers do not apply and treatment is available at any medical provider throughout the United Arab Emirates.

This Benefits Schedule details the plan benefits available under the core Summit Dubai plan. The plan sponsor may also be able to add and remove benefits, and increase or decrease benefit limits to enable them to custom-build a solution that's right for them and their business.

Before you're treated

It's important you request our approval before you receive treatment for the following treatments and services:

- Medical evacuation
- Inpatient or daycare treatment admission

- Psychiatric treatment
- Prescription for more than three months' supply of drugs for a chronic medical condition
- Single treatment or service that costs more than 500 USD or equivalent

If you're unable to ask for approval because it's an emergency, you or someone on your behalf must let us know about the emergency within 24 hours.

Network and tiers

Unless otherwise shown:

- Within the United Arab Emirates: your chosen tier will apply except if your medical condition is an emergency.
- Outside of the United Arab Emirates:
 The entire network will be available
 within your area of cover. Tiers do not apply.

Your area of cover and chosen tier are shown on your Certificate of insurance and Member ID Card

Your deductibles

Outpatient coinsurance

We'll apply your chosen level of outpatient coinsurance, as shown on your Certificate of Insurance, to outpatient claims.

Maternity coinsurance

We'll apply our maternity coinsurance to maternity claims under section Pregnancy and childbirth.

Dental coinsurance

We'll apply our dental coinsurance to dental claims under section

19 Dental treatment.

Emergency dental, vision and hearing coinsurance

We'll apply this coinsurance to claims under some benefits within sections

Out-of-tier coinsurance

We'll apply our 25% out-of-tier coinsurance if the treatment or services are received at a provider in the United Arab Emirates and:

- the provider is included in a tier that is not your chosen tier, or
- the provider is not in the **medical provider network**.

This out-of-tier coinsurance is applied to each claim after the deduction of any other applicable coinsurance.

This coinsurance does not apply if the treatment or services received are needed due to an emergency, or if Tier 1 UAE is your chosen tier.
