1 Introduction

This Handbook, and the relevant **Benefits Schedule**, details what **we** do and don't cover under **our Pioneer plans**, as well as giving **you** important information about managing your **plan**.

Please read this information carefully to make sure **you're** completely satisfied with the cover **we're** providing and that it meets your needs. If **you** have any questions, please contact **us** and **we'll** be more than happy to help.

We do not guarantee that your **plan** meets the visa and/or social health care requirements of the country **you're** moving to. It's your responsibility to ensure that any **plan you** choose meets your needs. Please ask **us** or your broker if **you** have any questions.

If coverage provided by this policy violates or will violate any United States (US), United Nations (UN), European Union (EU) or other applicable economic trade sanctions, the coverage is immediately considered invalid. For example, Al Ain Ahlia and Aetna companies cannot make payments or reimburse for health care or other claims or services if it violates a financial sanction regulation. This includes sanctions related to a blocked person or entity, or a country under sanction by the US, unless permitted under a valid written Office of Foreign Asset Control (OFAC) license. For more information on OFAC, visit www.treasury.gov/resource-center/sanctions/Pages/default.aspx.

2 Eligibility and material facts

Our plans and add-on plans are available to people of most nationalities, depending on where they reside. **Our plans** are not available to citizens of the United States (US) who reside in the US. Please contact **us** if **you** need

further information. If **you** are a US citizen and your chosen **area of cover** is Area 1, only Pioneer 5000+ is available to **you**.

If **you** are not a US citizen and your chosen **area of cover** is Area 1:

- If **you** don't live in the US, Pioneer 5000 and 5000+ are available to **you**
- If **you** do live in the US, only Pioneer 5000+ is available

If **you** choose Area 2, 3, 4, Pioneer 1750, 2500, 4000 and 5000 **plans** are available to **you**.

If **you** are a US taxpayer, please read the 'Cover in the US' section in this Handbook for more information, as this **plan** may not satisfy the requirements of the U.S. Patient Protection and Affordable Care Act and therefore **you** may be subject to tax penalties.

Age

To be eligible for **our plans**, **you** must be at least 18 and no more than 79 years old on your **start date**. If **you** add dependent children to your **plan**, they must be unmarried and either aged under 18 or aged 18 to 26 and in continuous full-time education at their **start date**. For the latter, **we** may ask **you** to send **us** proof from their educational facility.

Our add-on plans have additional eligibility criteria – **you'll** find more details in the applicable **Benefits Schedule**.

Material facts

You must tell **us** all **material facts** and check that they are correct before **we** accept an **application**, make changes to your **plan** or renew it. If **you're** not sure whether a fact is material, please ask **us**. **Moratorium** cover will still apply even if **you** tell **us** about any **pre-existing medical conditions you** might have.

You must let **us** know in writing immediately if any **material facts** change. For example, if **you** change your name, occupation or address. **We** may apply new terms to the **plan**, void or cancel it and/or reduce or reject any related claims, based on your new **material facts**.

Voiding your plan

We'll void your **plan** from its **start date**, renewal date or change date, if **you**:

- deliberately or recklessly give **us** inaccurate or incomplete **material facts**, or
- don't take reasonable care to give **us** accurate and complete **material facts** and **we** wouldn't have covered **you** had **we** known about the **material facts**.

If **we** void your **plan**, **we** can continue to offer your **dependants** cover if:

- a **dependant** who is 18 years old or more writes to **us** to appoint themselves as the new **planholder**, or
- **you** write to **us** to appoint a parent or legal guardian to act as the new **planholder**. The new **planholder** will manage the **plan** but **we** won't cover the person.

You must appoint a new **planholder** within seven days of **us** telling **you** that **we've** voided your **plan**, otherwise **we'll** cancel the entire **plan** from the void date.

Cover in the US

Your **plan** is a non-US insurance product that does not comply with the US Patient Protection and Affordable Care Act (PPACA). As such, your **plan** may not qualify as minimum essential coverage (MEC) and therefore may not satisfy the requirements, if applicable to **you** and your **dependants**, of the Individual Shared Responsibility Provision (individual mandate) of PPACA. Failure to maintain MEC can result in US tax exposure to **you**.

You may wish to consult with your legal, tax or other professional adviser for further information. This is only applicable to certain eligible US taxpayers.

Accordingly, **we** reserve the right to cancel your cover immediately if **you** have Area 1 cover and **you** are:

- a US citizen residing in the US for 36 days or more (consecutively or in aggregate) during any 12 month period; or
- not a US citizen and **you** spend more than 183 days (consecutively or in aggregate) in the US over three **plan** years.

3 Plan currencies, premiums and ways to pay

When **you** take out your **plan**, **you** can choose from the currencies available on your application form. **You** must pay all **premium** in the same currency as your **plan**. Your cover won't be able to start until **we've** received your **premium** (which must be on or before the **premium** due date).

If more than one currency is shown on your **Benefits Schedule**, the **benefit** limits shown in the same currency as your **plan** will apply to **you** and your **plan**.

You can pay your **premium** in a single annual payment or by quarterly or monthly instalments, depending on the **plan** **you** choose and the method **you** wish to pay by.

Paying by card

Pay annually

To pay annually by debit or credit card, contact **us** by email or telephone, or fill in the Card authority in your application form.

Paying by bank transfer

Pay annually

To pay annually by bank transfer, **you'll** need your quotation number or **plan** number to hand. Follow the instructions on your application form.

Paying by cheque or banker's draft

Pay annually

Your invoice will show details of how much to pay. When paying by cheque or banker's draft, **you** must give your full name and the quotation number or **plan** number as the reference.

Unpaid or late premiums

We'll write to tell **you** if **we** haven't received or haven't been able to collect your **premium** on time.

We'll cancel your **plan** if **we** don't receive payment within 30 days of the **premium** due date. **You'll** then have to apply for a new **plan** if **you** would still like **us** to cover **you**.

Your **premium** and terms may change and **you'll** lose any existing Healthy Behaviours Discount from your cancelled **plan** (see section 13 Claims).

4 Your plan start date and cooling off period

Your **plan** will start on the **plan** start date **you** request; this date will show on your **Certificate of Insurance**. Your **plan** will cover **you** for 12 months until your **plan** renewal date, unless **you** cancel your **plan**.

Cooling off period

You have the right to cancel your **plan** for any reason by writing to **us** or calling **us** within 15 days of receiving your **plan** documentation, or the **plan** start date, whichever's later.

We'll refund your **premium** in full if **you** haven't (and any other **member** hasn't) made a **claim** under the **plan**. If **you've** made a **claim** and **we** haven't paid **you** or a medical provider for it, **we'll** refund your **premium** and cancel any unpaid **claims**.

However, if **you** have (or any other **member** has) made a **claim** and **we** have paid for it, **we** won't refund your **premium** and **you** must still pay **us** any unpaid **premium** due for the remainder of the **plan** year.

We can only refund **premium** to the bank account or card **you** originally paid from. **You'll** be responsible for any shortfall from exchange rate differences and any bank charges.

To cancel your **plan** after the 15 day cooling off period, see section 11 Cancelling your **plan**.

If **you** and/or your **dependants** are working, residing or spending time in sanctioned countries or regions, please let **us** know immediately. Sanctioned countries and regions currently include Crimea (annexed region of Ukraine), Cuba, Iran, North Korea, Sudan (North) and Syria. This list is subject to change based on changes in financial sanctions

regulations. In addition, there are other countries subject to less broad sanctions than the countries/regions listed here. For more information, visit www.treasury.gov/resource-center/sanctions/Pages/default.aspx.

We may modify our products, services, rates and fees, in response to legislation, regulation or requests of government authorities, these modifications may result in material changes to **plan benefits**. We may recoup any material fees, costs, assessments, or taxes due to changes in the law even if such changes require no **benefit** or **plan** changes.

6 Clinical policy bulletins

For information on how we classify certain **treatments** and services, visit aetna.com/health-care-professionals/clinical-policy-bulletins.html. Our clinical policy bulletins (CPBs) are based on objective and credible sources, including scientific literature, guidelines, consensus statements and expert opinions.

They're not a description of cover or confirmation that we cover these **treatments**, services or costs under your **plan**. If there's a discrepancy between a CPB and your **plan**, your **plan** terms will apply.

7 Help us prevent fraud

Fraud is a crime and health care fraud increases **premiums** for our customers. With your help, we'll do our utmost to detect and eliminate it.

Health care fraud includes:

- giving false or misleading information to get insurance or a **premium** reduction
- claiming for **treatments** or services that **you** haven't received
- altering or amending invoices or bills
- giving a false diagnosis

- claiming from more than one insurer for the same **treatment** or service
- using somebody else's insurance to get **treatment** or services.

How you can help protect yourself and keep premiums down

There are simple steps **you** can take to protect yourself from health care fraud, including:

- comparing invoices with your records, checking dates are correct and that **you** received the **treatments** or services shown
- asking questions if there's anything **you're** unsure about, don't understand, expect or recognise
- keeping in touch with **us** when **you've** made a **claim**
- letting **us** know if **you're** concerned your doctor is giving **you** unsuitable **treatment**
- filling in claim forms carefully
- looking after your insurance details and documents and keeping copies of any correspondence
- making sure **you** understand any documents before **you** sign them
- reporting suspected fraud to **us**.

We work closely with others to prevent fraud

We're committed to protecting **you** against fraud and also have statutory responsibilities to prevent **our** products from being used for financial crime. We work with other bodies such as international insurance bodies, international police, investigative agencies and government departments to do this.

If you suspect fraud

Contact **us** as soon as **you** can.

Call our confidential Fraud and Investigation line on +971-(0)4-312-3000 or email UAEsales@alainahlia.aetna.com.

8 Making changes to your plan

Notifying us of changes

When you request to make a change to your plan, you must take reasonable care when answering any questions we ask – please read 'How to answer our questions' in section 2 Eligibility and how to answer our questions for more details.

You must tell us immediately in writing about changes to the following and when such changes will take (or have taken) place:

- name or gender of a member
- occupation of a member
- address of a member, particularly if this is a change to the country in which a member lives, or
- any information given to us by you in relation to your application and/or any changes since.

After you tell us about a change, depending on the nature of the change, we may:

- charge you additional premium (including any applicable tax)
- change the relevant member's benefits
- apply different terms to the relevant member's coverage under the plan
- cancel the relevant member's coverage under the plan
- send you a new Certificate of Insurance and a new Member ID card (or cards, if there are other members), or
- reassess or reject any related claim of the relevant member.

Note that we may charge you an administration fee to replace any plan documentation or Member ID card.

You can't change the following during your plan year, but you can write to us to ask us to change these when your plan renews for the next year:

- your plan level
- your optional benefits including taking out an add-on plan
- your excess or coinsurance
- your plan terms, or
- your plan currency.

You must tell us all material facts when making a change.

9 Adding and removing dependants

Adding a dependant

With our agreement you may add a dependant to your plan after the plan start date. Please contact us and we'll let you know the information you'll need to provide us, which may include completing an application form for the dependant, and how we may change your premium as a result. We'll send the revised Certificate of Insurance and the new dependant's Member ID Card each time we add a dependant to your plan.

Start dates for added dependants

If, on the date you contact us to add a dependant, that dependant is less than 31 days old, the mother's pregnancy was the result of natural conception and we have covered one of the dependant's parents for a continuous period of at least 12 months, we'll add the dependant to your plan regardless of the dependant's

health with effect from the dependant's date of birth. There is no need to complete an application form.

If the dependant is less than 31 days old when you contact us, but the mother's pregnancy was the result of assisted conception and/or we have not covered either of the dependant's parents for a continuous period of at least 12 months then:

- where your plan has a moratorium, we'll (based on a completed medical questionnaire for the dependant) confirm the date we agree to add the dependant and a new moratorium will apply for that dependant; or
- where your plan does not have a moratorium, we'll (based on a completed application form for the dependant) either cover the dependant from the date on which you accept any terms we offer or decline to add the dependant to your plan. If we decline to add a dependant, we'll explain the reason for this in writing.

To add any other dependant to your plan:

- if your plan has a moratorium, there is no need to complete an application form. We'll cover the dependant from the date on which you contact us or from a later date that you may request and a new moratorium will apply for that dependant; or
- if your plan does not have a moratorium, we'll (based on a completed application form for the dependant) either cover the dependant from the date on which you accept any terms we offer or decline to add the dependant to your plan. If we decline to add a dependant, we'll explain the reason for this in writing.

The terms of your plan will apply to any dependant you add. Please note in particular exclusion 14.16 which excludes any inpatient treatment for an acute medical condition that begins before the dependant is eight days old if the pregnancy was achieved by assisted conception.

Removing a dependant

Please tell us in writing if you'd like to remove a dependant from your plan and we'll do so. The dependant's end date will be the date that we receive the request, or a future date that you have given.

You'll also need to tell us if there are any outstanding claims for their treatment or services and if you've incurred any further costs in relation to your plan.

If there aren't any claims paid or pending for any member on the plan, we'll issue a pro-rated refund of the removed dependant's premium.

If you're waiting for us to approve or pay a claim, we can't approve it unless we've received all premium for the entire plan year. If any member on the plan has made any claims that we have approved and paid, no refund will be issued and all premiums must be paid for the entire plan year.

When you remove a dependant, we'll send you a new Certificate of Insurance to reflect such removal.

10 Transferring dependants onto your plan

If you'd like to transfer someone from another insurer to your plan, they'll need to complete a Continuous Transfer Terms (CTT) application form and send us the original Certificate of Insurance or other evidence from their previous insurer which shows:

- their original start date with that insurer,
- their underwriting terms, and
- any special terms that may have applied.

If there's a break between the end date of their previous insurance plan and their application, we won't be able to offer a transfer on the same or similar terms as the previous plan.

If we accept the application, we may charge an increased premium. Their cover will begin on the date we receive

your acceptance of any special terms we've applied, or on a future date you request following your acceptance of those terms, and we have agreed.

11 Cancelling your plan

You must write to us if you decide to cancel your plan. Your last day of cover will be the date we receive your written decision to cancel or on a future date you give us.

If no member has made any claims, or will make any claims, we'll issue you a pro-rata refund of premium.

If we have not paid you the costs for any claims, but any member has made claims that we have not yet approved, or will make any claims, we won't approve or pay these costs unless we have received all premium for the entire plan year. We'll issue you a pro rata refund of premium if you confirm to us, in writing, that you do not want us to approve any such claim.

If, before the cancellation date, a member has made a claim and we have approved it, we'll only pay you the costs for any claim before the cancellation date when we have received all premium for the entire plan year. We'll issue you a pro rata refund of premium only if you pay any costs incurred before the cancellation date.

If we have approved and paid any claim before the cancellation date, we won't issue you a refund of premium and you must pay us all premium for the entire plan year.

We'll charge you a cancellation fee of 170 USD and we may also charge you an additional fee if there are further or unexpected costs.

We'll pay you any refunds to the account you originally paid from, less any shortfall as a result of exchange rate differences and any associated bank charges.

You must return the Certificate of Insurance and all Member ID cards to us on cancellation.

If you want to apply for a new plan after cancelling your existing plan, your premium and terms may change and you'll lose any existing Healthy Behaviours Discount from your previous plan.

12 What happens if you die

If you die, the oldest dependant aged 18 or over on your plan can apply for continuation of cover for all dependants on your plan by sending us a signed application form within four weeks of the date of the planholder's death.

We will cancel the plan with effect from the date of your death, and subject to our agreement, we'll transfer the dependants under your plan to a new plan with the same level of cover and add-on plans as your plan, and the oldest dependant will be the planholder of the new plan. The start date of the new plan will be the first day after your death.

If the new planholder chooses to accept the terms we offer and the applicable terms at the first renewal, we will not charge premium for the first two consecutive years of the new plan, as long as:

- no additional members are added onto the new plan until the end of the first two consecutive plan years, unless we agree otherwise; and
- there are no changes to cover, including plan level, area of cover, optional benefits, deductible, tier or residential location, or add-on plans. Any changes to cover will be subject to our agreement and we may apply a premium.

We will issue a pro-rata refund in respect of all premium paid under the cancelled plan.

Unless we agree otherwise, if there are no dependants aged 18 or over left on your plan following your death, we will not offer continuation of cover and the plan will terminate immediately with effect from the date of your death. We'll issue a pro-rata refund of all premium paid under the cancelled plan.

In all cases:

- we must receive a certified copy of your death certificate before we agree any changes or issue any refunds. Refunds will be paid to an appropriate account in accordance with all applicable laws; and

- any premiums outstanding for the period up until the date of your death must be settled; see section 3 Plan currencies, premiums and ways to pay – Unpaid or late premiums.

The operator should then connect **you** to **our** international helpline at no charge to **you**.

What can you claim for?

Only qualified **medical practitioners, specialists, nurses** or therapists with the aim of curing or substantially relieving your **medical condition** must treat **you**. Only psychiatrists or qualified and registered psychotherapists or psychoanalysts may give **you** **psychiatric treatment**, and only a **medical practitioner** or **specialist** can refer **you** for physiotherapy, podiatry, osteopathic and chiropractic **treatment**.

If the **medical practitioners, specialists, nurses** or therapists refer **you** for further **diagnostic tests and procedures** or **treatment**, **you** must start treatment within 90 days of the referral date for **us** to be able to pay your costs.

You must tell **us** about a **claim** within 180 days of receiving the **treatment** or services. If **you** leave it longer, **we** may not be able to reimburse **you**.

We'll only pay reasonable costs for **claims**. Reasonable costs are the average cost of **treatment**, expertise or services given by similar types of medical provider within the same country or geographical region, based on **our** knowledge and experience.

We'll pay for **hospital** accommodation (including meals) up to the cost of a standard single room with a private bathroom.

If **you** incur costs above the limits shown in your **Benefits Schedule** or **you** use a **visiting doctor** whose costs are higher than those of a medical facility's in-house doctor, **you'll** have to pay the difference.

What you need to know when claiming

We'll email **you** a **Member ID card** (or cards, if there are other **members**) when your **plan** starts. **You** must show your **Member ID card** to the medical provider when **you** go for **preauthorised inpatient treatment** or **daycare treatment** (please see the section called 'Requesting preauthorisation' below for more details). If **you're** entitled to **direct settlement**, **you** must show this card when getting **outpatient treatment** at a **direct settlement** facility.

You'll need to quote your **plan** number and **Member ID** in all correspondence with **us** relating to your **claim**.

Keep copies of the information about your **claim** for your own records. **We** won't be able to return any original **claim** documents to **you** after **we've** paid the **claim**.

We may ask **you** for more information to help **us** process your **claim**, and **we** may ask a **specialist** or **medical practitioner** of our choice to examine **you**.

We may also request further tests or evaluations if **we** decide that a **medical condition** may be directly or indirectly related to a **medical condition** **we** do not cover **you** for. **We** may decline your claim if **we** don't have sufficient information to assess it.

You must tell **us** about any negotiations or settlement discussions **you** enter into with any other party about any action or omission which leads to a **claim** under your **plan**. **You** mustn't agree to a settlement with any party without **our** prior written agreement.

Requesting preauthorisation

Before **you** make a claim, please read your **Benefits Schedule** to make sure your **plan** covers the **treatment** **you** need.

You need to request **preauthorisation** before **you** receive any **treatment** or services, or incur any costs, if **you** want **us** to meet such costs in accordance with your **plan** for any of the following:

- medical evacuation
- **inpatient treatment** or **daycare treatment** admission
- preparation or transportation of body or mortal remains
- **psychiatric treatment**
- prescription for more than three months' supply of drugs for the management of a **chronic medical condition**
- single **treatment** or service that costs more than 500 USD or its equivalent in another currency

If it's not possible to request **preauthorisation** in an **emergency**, **you** must notify **us** of the **treatment** or services within 24 hours. If **you** fail to notify **us**, **we** may pay only a portion of an eligible **claim**.

We'll liaise with your medical provider during your **claim**. If necessary **we'll** provide **you** with a 'Release of medical information' form. **You'll** need to fill in this form to authorise your **medical practitioner** or **specialist** to release information to **us** about **you** under relevant data protection legislation.

If **you** have an eligible claim **we'll** issue a letter of guarantee of payment to your medical provider. **We'll** let **you** know as soon as possible if **you** have an ineligible **claim**.

When calling to request a **preauthorisation**, make sure **you** have your **Member ID card** to hand, your **medical**

practitioner or specialist's name and the medical provider's name and telephone number.

If we give you preauthorisation, we'll settle all eligible claims directly with your medical provider. If we are unable to settle your eligible claims directly, we will reimburse you instead.

Inpatient, daycare and outpatient direct settlement

If you're admitted to a hospital which is in our medical provider network or you receive daycare treatment, we'll take care of your eligible claims for such hospital bills. You don't have to worry about paying large bills upfront. All you have to do is pay the relevant excess or coinsurance. If your plan benefits from outpatient direct settlement (which can be referred to as direct billing), we'll pay your eligible outpatient bills directly to any medical provider which is in our medical provider network so that you're not out of pocket. If the relevant medical provider is not in our medical provider network, we'll reimburse you for any eligible claims instead.

How to make a direct settlement claim on an outpatient basis

You must:

1. Check that we cover your treatment under your plan; if you're not sure, please contact us.
2. Visit a medical provider within our network for outpatient treatment.
3. Show your Member ID card to the relevant medical provider. The provider should then treat you and liaise with us to settle your claim (subject to point 4).
4. Pay any excess or coinsurance shown on your Member ID card or in your Benefits Schedule.

How to make a claim for outpatient treatment

You must:

1. See your medical practitioner, therapist or specialist in the usual way.
2. Ask your medical provider to complete the relevant section of the claim form which you can download from aetnainternational.com.
3. Pay your bill for the treatment you receive. Make sure you get an original itemised invoice and/or original receipt.

Complete one claim form for each medical condition. Send your claim form to us at MEAServices@aetna.com along with scanned copies of any supporting documents.

4. Or you can submit a claim online by completing the form and uploading scanned copies of any supporting documents to the 'Claims Centre' in the Health Hub.

You should send us these documents as soon as possible (and in any event no later than six months) after the first treatment date.

Ineligible claims

If you attend a direct settlement hospital, clinic or other medical facility in our medical provider network and we later determine that your claim is ineligible, we have the right to recover the full claim amount from you. If we pay a claim, it isn't an indication of our acceptance of liability for the claim or confirmation that we'll pay further costs for the same medical condition or related medical condition.

If we determine that a claim we've already approved is ineligible, we won't pay for the claim. If we've already paid any costs, you'll need to repay them to us within 14 days or we may withdraw any associated preauthorisation, cancel your plan and keep the premium. If you'd like us to reassess a claim we've rejected, you'll have to prove that the claim is covered under the plan.

Stay healthy to save

If you're a member of an Aetna Pioneer 4000, 5000, or 5000+ plan, you can take advantage our Healthy Behaviours Discount programme by logging in to the Health Hub. If your plan stays claim-free for one or more plan year(s), you'll receive a discount of up to 25% over five years. However, if you submit an eligible claim for a previous plan year after we've given you a Healthy Behaviours Discount, the discount will be removed and you'll need to pay the full, undiscounted premium before we can pay your claims.

Exchange rate

If, acting reasonably, we determine that any central bank or relevant government or governmental authority imposes an artificial exchange rate (including without limitation an exchange rate which is inconsistent with the free market exchange rate) in relation to a relevant currency for any reason, we may in our sole discretion reimburse you for your valid claims incurred in that country in any manner we may reasonably decide. In making such determination we shall seek to ensure that we indemnify you for your loss (subject to the terms and conditions of your policy) but do not unjustly enrich you as may have been the case had we applied such artificial exchange rate to pay you in the plan currency. We will reimburse you in (i) the applicable local currency, or (ii) if you do not have a bank account in such local currency, in the plan currency in an amount equal to the applicable Reasonable and Customary Charges. In either case, the reimbursement will be subject to the principle of indemnity we mention above.

Please contact your bank to find out if they will charge you to send or receive money, or to exchange currency. Any such bank charges or exchange rate fluctuations are not covered by your policy.

Other insurance

If another insurer covers an eligible **claim** under your **plan**, we'll deduct any payments you've received from the other insurer (plus any **excess** or **coinsurance** amounts under your other insurance **plan**).

Claims against third parties

If we have paid money to you (or to a medical provider on your behalf) in accordance with this **plan**, and you are entitled to receive money from any other party (including another insurer) for the same **claim**, we have the right to proceed against such other party in your name and to recover from you the money you receive (or have received) from such other party, up to and including the amount that we have paid.

You must notify us immediately in writing if you pursue or intend to pursue another party for such **claim**. We shall then decide whether or not to exercise our right under this section.

You must cooperate with us if we exercise this right.

Unless you have our prior written consent, you must not admit liability or fault to, or agree to a settlement with, such other party.

14 Exclusions

Your **plan** doesn't cover **claims** for, arising from or connected to the exclusions in this section unless shown otherwise in your **Benefits Schedule** or we've agreed separately in writing, and we'll seek to recover from you any payments we've made if we determine an exclusion applies to a **claim** we have already paid.
