Reliable access to some of the world's leading health care professionals

Aetna is committed to building strong and secure partnerships with health care professionals around the world — so that you have access to quality care when and where you may need it. That's why we have negotiated simplified prepayment procedures with thousands of medical facilities worldwide. Called "direct-settlement" arrangements, these agreements make accessing care easier and cover any eligible up-front costs associated with your care or treatment, such as planned inpatient treatment, a maternity stay, day patient services or high-cost outpatient services such as MRIs and CTs. This is a significant benefit if you're faced with a more expensive medical procedure.

For added convenience, we can also coordinate one-time arrangements if a health care professional is not in our direct-settlement database. We have a 95 percent success rate in negotiating these one-time arrangements. You also have the freedom to pay up front for care received at any health care professional worldwide, and submit a claim to us for reimbursement (subject to eligible cover).

To find a direct-settlement facility in your region, visit the Aetna International secure member website.

Your guide to making a claim

In order to ensure that **members** receive the best possible claims service, the procedures noted below should be followed in the event of **treatment** being required.

Please ensure **your** claim form is completed in full and returned within 180 days of the **treatment** date.

CLAIM SUBMISSION

We reserve the right to deny any claim that is not submitted within 180 days of the **treatment** date. Claims may only be made for **treatment** given during a **period of cover**. The **benefit** will only be payable for expenditure incurred prior to expiry or termination.

All required supporting claims documents and materials (including, but not limited to, original accounts, certificates and x-rays) shall be provided without expense to **us**. This includes medical reports from **your medical practitioner** or **specialist** and details of **your** medical history, if requested by **us**.

Charges from an attending **medical practitioner** or **specialist** for completing claim forms are not eligible for reimbursement under the terms and conditions of this plan. **Members** will be responsible for these costs.

We will require a **medical practitioner's** or **specialist's** referral to be included whenever filing a claim for the following **treatments**:

- i) Chiropractic **treatment**
- ii) Acupuncture **treatment**
- iii) Osteopathic **treatment**
- iv) Homeopathic **treatment**
- v) Podiatric **treatment**
- vi) Physiotherapy (additional referral by a **specialist** required after 10 sessions)

We accept soft copies of original receipts to start the claim process and to facilitate the assessment of **your** claim (i.e., if **you** submit claims via fax or e-mail); however, **you** should keep **your** original receipts on file in case they are needed for verification purposes.

CLAIM NOTIFICATION

The **policyholder**, or the **insured person**, shall inform **us** promptly upon becoming aware of the insured incident. When the **policyholder**, or the **insured person** intentionally or due to material default fail to inform **us** in a timely way and this causes difficulty in identification of the nature, cause, degree of loss, etc., then **we** shall not be liable for payment of insurance compensation for the portion that cannot be identified, with the exception that **we** ought to have know such incidents through other channels.

PRE-AUTHORISATION

We require **members** to obtain prior approval (pre-authorisation) from **us** before commencing the following **treatments**:

- i) Planned **inpatient** or **day patient** treatment (hospitalisation)
- ii) Any pregnancy or childbirth **treatment**
- iii) Planned surgery
- iv) Home nursing charges
- v) Planned MRI, PET and CT scans
- vi) **Outpatient** psychiatric

We also require pre-authorisation when seeking **emergency evacuation**. Failure to obtain pre-authorisation from **us** when commencing any of the above **treatments** may result in **your** claim being declined by **us**.

EMERGENCY/EVACUATION

In the event of a true medical **emergency** or **evacuation**, **members** may contact **us** at the appropriate number found on **your** Aetna International membership ID card.

INPATIENT AND DAY PATIENT TREATMENT

Our prior approval (pre-authorisation) must be obtained for all planned **day patient** and **inpatient** treatment.

Inpatient and Day Patient Treatment outside the U.S.

When **we** have been notified of an eligible **day patient/ inpatient** stay, **we** will attempt to arrange direct settlement with the **hospital** and the **medical practitioners** or **specialists** concerned. **We** will send the **hospital** a guarantee of payment for the estimated cost of the **treatment**, as indicated by the relevant facility/**provider**, which will confirm to them that the **treatment** is covered under **your** plan.

• Release of Medical Information Form

You will be required to complete a release of medical information form, which **you** should forward to **us** as soon as possible. Delays in completing this may result in delays in receiving **treatment**.

• Pre-certification Medical Form

The **hospital** is required to complete a pre-certification medical form outlining details of the **medical condition** and **treatment** to be undertaken. **We** cannot place a guarantee of payment without these two documents, so please ensure that the **hospital** confirms with **you** that this has been sent to **us**. **We** will verbally confirm that **your treatment** is covered under the terms of the plan. However, completion of pre-authorisation is conditional on the submission of **our** guarantee of payment. **We** will notify **you** as soon as possible if the condition or **treatment** required is not covered.

It is important to contact **us** as soon as possible prior to **treatment** to ensure **we** are able to place a guarantee of payment in time. **We** recommend that **you** do not delay **treatment** if a guarantee is not in place at the time **treatment** is due.

Day Patient and Inpatient Treatment in the U.S.

For those members who benefit from U.S. **elective treatment** or those eligible to claim **accident** and **emergency treatment** outside the **area of cover** as a direct result of **treatment** being undertaken in the **accident** and **emergency** ward of a hospital whilst temporarily travelling in the U.S. and where the medical condition did not exist prior to travel.

Please check **your certificate of insurance** to ensure that **you** have the appropriate **cover** before travelling to or undertaking any **treatment** in the USA.

For **emergency** admissions, the **member**, the **hospital** or a family member should contact **us** to obtain authorisation prior to **your** leaving the **hospital**. Failure to notify **us** of **inpatient** or **day patient treatment** will mean that **you** may only be eligible for reimbursement of a proportion of the costs incurred.

• **Inpatient or Day Patient Treatment in the U.S. Provider Network**

We have made arrangements with many **provider networks** in the USA, which mean that costs for **treatment** at these facilities can be settled directly by **us**.

Treatment received within the **provider network** will be billed to **us** directly. **Our** claims department will determine what portion of the invoice is applied to **your excess** and which portion is payable by **us**. We will send **you** and the **provider** copies of the explanation of benefits (EOB) detailing how the bill was settled and what amount **you** are responsible for.

We will notify **you** as soon as possible if the **medical condition** or **treatment** required is not covered by **your** plan.

• **Inpatient or Day Patient Treatment in the U.S. received outside the Direct Settlement Network**

Treatment received outside the U.S. **provider network** is subject to limitation and a 50% **coinsurance**.

OUTPATIENT TREATMENT

To ensure prompt settlement of claims, please take **your** claim form with **you** in order for it to be completed by the treating practitioner or **specialist**.

Outpatient Treatment inside the Direct Settlement Network (outside the U.S.)

For those in the relevant participating countries, **we** have arranged a **direct settlement network** enabling **members** to obtain **outpatient treatment** (as defined in the **certificate of insurance**) at a number of selected medical centres where all eligible **treatment** charges will be paid directly by **us**.

When seeking eligible **outpatient treatment** at any of the participating centres, it is important that **you** present **your** personal Aetna International membership card to the medical centre/service **provider** before **treatment** begins in order to ensure that **you** are not asked to settle any **treatment** costs. **You** may be responsible for paying a per visit copayment to the **provider** but this will be clearly shown on **your** membership card.

- Present **your** Aetna International membership card to the medical centre/**provider** on arrival.
- Have a second form of identification available should it be required by the reception staff.
- Check the claim form that the medical centre will provide after **your treatment** and sign it to confirm that **you** have received the **treatment** stated.
- Settle any charges made by the medical centre, which relate to either items not covered or ineligible **treatment** that **you** may have received.

IMPORTANT: Please remember that **your** Aetna International membership card should not be used to obtain **treatment** that is excluded from **cover**.

Outpatient Treatment outside the Direct Settlement Network (outside the U.S.)

After paying for **treatment**, **you** must submit a claim form to **us** for reimbursement.

If **we** require medical information when considering a particular claim, but it is not made available to **us**, it is **your** responsibility to obtain this information from **your** current or previous **medical practitioner** or **specialist**, as appropriate.

It may not always be possible to have **your** claim form completed by **your** **medical practitioner**, **specialist** or **dental practitioner**. In such circumstances, **we** will settle the claim, provided that the submitted invoice(s)/receipt(s) for **treatment** are included and contain all of the following:

- The date of service
- The diagnosis or **medical condition** being treated
- The **treatment** provided during the visit
- The charged amount
- The stamp of the facility/**provider** concerned

If physiotherapy, acupuncture, chiropractic, osteopathic, podiatric or homeopathic treatment is required, please ensure that you include a referral letter from your medical practitioner or specialist with your claim.

Settlement of claims may be delayed if **you** fail to complete **your** claim form(s) properly. To ensure prompt settlement of any eligible claims, please ensure that **you** submit all necessary documents at the time of the claim.

One time Direct Settlement

Exceptions may be made for high cost procedures. In this case, **members** are required to contact **us** prior to receiving **treatment**, in order for **us** to attempt to arrange direct payment with the medical facility concerned. Please note that not all medical facilities will accept direct payment from **us**. In these instances, **you** will be required to settle the bill and submit a claim to **us** for reimbursement.

Outpatient Treatment in the U.S.

For those who have purchased the U.S. **elective treatment benefit** or those temporarily travelling in the U.S. and claiming **accident** and **emergency treatment** outside area **cover** benefits for **outpatient treatment** connected with **treatment** received in the **accident** and **emergency ward** of a **hospital** for a **medical condition** that did not exist prior to travel.

Please check **your** **certificate of insurance** to ensure that **you** have the appropriate **cover** before undertaking any **treatment** in the USA.

Where **your** **policy** allows, **outpatient** services and **treatment** received within **our** **provider network** can be billed to **us** directly. Prior to seeking **treatment**, **we** recommend that **you** contact our Member Services team who can check the location of **your** nearest participating **provider**.

Members are required to show their membership card to the **provider** who will contact **us** to confirm direct billing. This may not happen immediately and, should **you** be asked to pay for the **treatment**, please ensure **you** state clearly to the facility that **you** wish to have **your** bill settled directly by **us**, and for them to contact the number on **your** Aetna International membership card.

Our claims department will process the claim according to the applicable portion payable by **us**, taking into account **your** **excess** and any **coinsurance** applicable. Once **our** portion is paid, **we** will send both **you** and the **provider** an explanation of benefits (EOB) with details of settlement and a statement of what **you** are responsible for.
