

# We're with you

## Delivering confidence

International health care solutions for governments

Your personnel and their families around the globe need the peace of mind and confidence that comes from a comprehensive benefits strategy offered by an experienced industry leader. As part of CVS Health®, a Fortune 4 company, we work together to deliver seamless support and local access to quality care.

### You can count on us

With our 165+ year heritage and nearly 60 years serving government and diplomatic organizations, your personnel and their families will benefit from personalized, integrated care and leading-edge resources. And you'll benefit from a healthy, productive workforce and a better bottom line.

### The solutions you need

We build care solutions that are comprehensive, compliant and can be customized for your personnel. They're also built to make the most of your health care dollars.

And with our global network of 1.2 million medical providers in the U.S. and 165,000 more outside the U.S., we've got you covered all over the world.

## Strength and experience to help you succeed

We act as an extension of your benefits department. Dedicated Aetna International account management teams work to:

- Be your trusted strategic partner and consult with you on innovations, service, financial analysis and more
- Help you navigate the constantly evolving legal and regulatory requirements
- Map out key milestones for a smooth transition
- Appoint an implementation team to do the heavy lifting for you
- Simplify and drive impactful communication plans for your personnel

Plus, you'll have access to a secure online Member Enrollment System for easier, faster and more convenient benefits enrollment and management.

## Your health care partner

Together we can achieve your benefits and cost savings goals while transforming the experience for your personnel and their families.
