The Scheme provides for AGCSSB to acquire all policies of insurance which were ever written, issued or assumed by or novated to AICLSB, together with a certain agreement dated 4 May 2023 between AICLSB and Aetna Global Benefits (Asia Pacific) Limited under which AICLSB (whose policy owners receive certain medical services under agreements of Aetna Global Benefits (Asia Pacific) Limited and the Aetna Group Service Companies (as defined under the Indemnity Agreement) with certain clinics, hospitals, medical practitioners and other medical services and network providers) indemnifies Aetna Global Benefits (Asia Pacific) Limited and Aetna Group Service Companies for liabilities arising from agreements of Aetna Global Benefits (Asia Pacific) Limited and Aetna Group Service Companies with such clinics, hospitals, medical practitioners and other medical services and network providers (the “**Indemnity Agreement**”). The Scheme also provides for AGCSSB to acquire all the liabilities arising, attributable to or in connection with the aforementioned policies, the Indemnity Agreement and all the agreements between AICLSB and independent financial advisers, introducers, referral parties and insurance intermediaries, as at the Effective Date.

Effect of the Scheme

Every person being a policyholder under a policy or policies of insurance relating to the business recorded in the insurance policy register of AICLSB and persons claiming through and under them shall on and from the Effective Date become entitled in substitution for any right or rights available to him/her/it under such policy or policies of AICLSB to the same right or rights against AGCSSB and (as regards policies under which premiums continue to be payable or under which premiums remain unpaid or uncollected) shall account to AGCSSB for any further premiums or any outstanding premiums as and when they become due. The relevant personal data of such insurance policy shall, as a consequence, be transferred from AICLSB to AGCSSB.
