Far away from home should never mean far away from support.

As an Aetna International member, you have access to the security advice and assistance you need to keep you safe.

Aetna Security Assistance powered by WorldAware gives you:

24/7 access to personalised advice from a team of multilingual crisis support specialists and political risk analysts

Email and text alerts providing up-to-the minute information on civil unrest, natural hazards and travel disruptions

Intelligence and security advice on over 220 countries and territories and over 500 cities worldwide

On-the-ground support for emergency travel and situations affecting personal safety, loss of belongings or theft of documents

Personalised travel reports and safety briefings when you submit a request for bespoke location-based analysis and information in relation to a developing or existing situation

Worldwide security news through daily summaries that provide information on global noteworthy, risk-related events and developments
