Before you join us

1 Introduction

This Handbook, and the relevant Benefits Schedule, details what we do and don’t cover under our Aetna Pioneer plans, as well as giving you important information about managing your plan.

Please read this information carefully to make sure you’re completely satisfied with the cover we’re providing and that it meets your needs. If you have any questions, please contact us and we’ll be more than happy to help.

We do not guarantee that your plan meets the visa and/or social health care requirements of the country you’re moving to. It’s your responsibility to ensure that any plan you choose meets your needs. Please ask us or your broker if you have any questions.

If coverage provided by this policy violates or will violate any United States (US), United Nations (UN), European Union (EU) or other applicable economic trade sanctions, the coverage is immediately considered invalid. For example, Aetna companies cannot make payments or reimburse for health care or other claims or services if it violates a financial sanction regulation. This includes sanctions related to a blocked person or entity, or a country under sanction by the US, unless permitted under a valid written Office of Foreign Asset Control (OFAC) license. For more information on OFAC, visit www.treasury.gov/resource-center/sanctions/Pages/default.aspx.

2 Eligibility and material facts

Our plans and add-on plans are available to people of most nationalities, depending on where they reside. Our plans are not available to citizens of the United States (US) who reside in the US. Please contact us if you need further information. If you are a US citizen and your chosen area of cover is Area 1, only Aetna Pioneer 5000+ is available to you.

If you are not a US citizen and your chosen area of cover is Area 1:

• If you don’t live in the US, Aetna Pioneer 5000 and 5000+ are available to you
• If you do live in the US, only Aetna 5000+ is available

If you choose Area 2, 3 or 4, Aetna Pioneer 1750, 2500, 4000 and 5000 plans are available to you.

If you are a US taxpayer, please read the ‘Cover in the US’ section in this Handbook for more information, as this plan may not satisfy the requirements of the U.S. Patient Protection and Affordable Care Act and therefore you may be subject to tax penalties.

Age

To be eligible for our plans, you must be at least 18 and no more than 79 years old on your start date. If you add dependent children to your plan, they must be unmarried and either aged under 18 or aged 18 to 26 and in continuous full-time education at their start date. For the latter, we may ask you to send us proof from their educational facility.

Our add-on plans have additional eligibility criteria – you’ll find more details in the applicable Benefits Schedule.

Material facts

You must tell us all material facts and check that they are correct before we accept an application, make changes to your plan or renew it. If you’re not sure whether a fact is material, please ask us. Moratorium cover will still apply even if you tell us about any pre-existing medical conditions you might have.

You must let us know in writing immediately if any material facts change. For example, if you change your name, occupation or address. We may apply new terms to the plan, void or cancel it and/or reduce or reject any related claims, based on your new material facts.

Voiding your plan

We’ll void your plan from its start date, renewal date or change date, if you:

• deliberately or recklessly give us inaccurate or incomplete material facts, or
• don’t take reasonable care to give us accurate and complete material facts and we wouldn’t have covered you had we known about the material facts.

If we void your plan, we can continue to offer your dependants cover if:

• a dependant who is 18 years old or more writes to us to appoint themselves as the new planholder, or
• you write to us to appoint a parent or legal guardian to act as the new planholder. The new planholder will manage the plan but we won’t cover the person.

You must appoint a new planholder within seven days of us telling you that we’ve voided your plan, otherwise we’ll cancel the entire plan from the void date.

Cover in the US

Your plan is a non-US insurance product that does not comply with the US Patient Protection and Affordable Care Act (PPACA). As such, your plan may not qualify as minimum essential coverage (MEC) and therefore may not satisfy the requirements, if applicable to you and your dependants, of the Individual Shared Responsibility Provision (individual mandate) of PPACA. Failure to maintain MEC can result in US tax exposure to you.

You may wish to consult with your legal, tax or other professional adviser for further information. This is only applicable to certain eligible US taxpayers.

Accordingly, we reserve the right to cancel your cover immediately if you have Area 1 cover and you are:

• a US citizen residing in the US for 36 days or more (consecutively or in aggregate) during any 12 month period; or
• not a US citizen and you spend more than 183 days (consecutively or in aggregate) in the US over three plan years.
Plan currencies, premiums and ways to pay

When you take out your plan, you can choose from the currencies available on your application form. You must pay all premium in the same currency as your plan. Your cover won’t be able to start until we’ve received your premium (which must be on or before the premium due date).

If more than one currency is shown on your Benefits Schedule, the benefit limits shown in the same currency as your plan will apply to you and your plan.

You can pay your premium in a single annual payment or by quarterly or monthly instalments, depending on the plan you choose and the method you wish to pay by.

Paying by card

Pay annually
To pay annually by debit or credit card, contact us by email or telephone, or fill in the Card authority in your application form.

Paying by bank transfer

Pay annually
To pay annually by bank transfer, you’ll need your quotation number or plan number to hand. Follow the instructions on your application form.

Paying by cheque or banker’s draft

Pay annually
Your invoice will show details of how much to pay. When paying by cheque or banker’s draft, you must give your full name and the quotation number or plan number as the reference.

Unpaid or late premiums

We’ll write to tell you if we haven’t received or haven’t been able to collect your premium on time.

We’ll cancel your plan if we don’t receive payment within 30 days of the premium due date. You’ll then have to apply for a new plan if you would still like us to cover you.

Your premium and terms may change and you’ll lose any existing Healthy Behaviours Discount from your cancelled plan (see section 13 Claims).

Your plan start date and cooling off period

Your plan will start on the plan start date you request; this date will show on your Certificate of Insurance. Your plan will cover you for 12 months until your plan renewal date, unless you cancel your plan.

Cooling off period

You have the right to cancel your plan for any reason by writing to us or calling us within 15 days of receiving your plan documentation, or the plan start date, whichever’s later.

We’ll refund your premium in full if you haven’t (and any other member hasn’t) made a claim under the plan. If you’ve made a claim and we haven’t paid you or a medical provider for it, we’ll refund your premium and cancel any unpaid claims.

However, if you have (or any other member has) made a claim and we have paid for it, we won’t refund your premium and you must still pay us any unpaid premium due for the remainder of the plan year.

We can only refund premium to the bank account or card you originally paid from. You’ll be responsible for any shortfall from exchange rate differences and any bank charges.

To cancel your plan after the 15 day cooling off period, see section 11 Cancelling your plan.

If you and/or your dependants are working, residing or spending time in sanctioned countries or regions, please let us know immediately. Sanctioned countries and regions currently include Crimea (annexed region of Ukraine), Cuba, Iran, North Korea, Sudan (North) and Syria. This list is subject to change based on changes in financial sanctions regulations. In addition, there are other countries subject to less broad sanctions than the countries/regions listed here. For more information, visit www.treasury.gov/resource-center/sanctions/Pages/default.aspx.

We may modify our products, services, rates and fees, in response to legislation, regulation or requests of government authorities, these modifications may result in material changes to plan benefits. We may recoup any material fees, costs, assessments, or taxes due to changes in the law even if such changes require no benefit or plan changes.
Clinical policy bulletins

For information on how we classify certain treatments and services, visit aetna.com/health-care-professionals/clinical-policy-bulletins.html. Our clinical policy bulletins (CPBs) are based on objective and credible sources, including scientific literature, guidelines, consensus statements and expert opinions.

They’re not a description of cover or confirmation that we cover these treatments, services or costs under your plan. If there’s a discrepancy between a CPB and your plan, your plan terms will apply.

Help us prevent fraud

Fraud is a crime and health care fraud increases premiums for our customers. With your help, we’ll do our utmost to detect and eliminate it.

Health care fraud includes:

- giving false or misleading information to get insurance or a premium reduction
- claiming for treatments or services that you haven’t received
- altering or amending invoices or bills
- giving a false diagnosis
- claiming from more than one insurer for the same treatment or service
- using somebody else’s insurance to get treatment or services.

How you can help protect yourself and keep premiums down

There are simple steps you can take to protect yourself from health care fraud, including:

- comparing invoices with your records, checking dates are correct and that you received the treatments or services shown
- asking questions if there’s anything you’re unsure about, don’t understand, expect or recognise
- keeping in touch with us when you’ve made a claim
- letting us know if you’re concerned your doctor is giving you unsuitable treatment
- filling in claim forms carefully
- looking after your insurance details and documents and keeping copies of any correspondence
- making sure you understand any documents before you sign them
- reporting suspected fraud to us.

We work closely with others to prevent fraud

We’re committed to protecting you against fraud and also have statutory responsibilities to prevent our products from being used for financial crime. We work with other bodies such as international insurance bodies, international police, investigative agencies and government departments to do this.

If you suspect fraud

Contact us as soon as you can.

While you’re with us

Making changes to your plan

Notifying us of changes

When you request to make a change to your plan, you must take reasonable care when answering any questions we ask – please read ‘How to answer reasonable care when answering any questions’ in section 2 Eligibility and material facts for more details.

You must tell us immediately in writing about changes to the following and when such changes will take (or have taken) place:

• name or gender of a member
• occupation of a member
• address of a member, particularly if this is a change to the country in which a member lives, or
• any information given to us by you in relation to your application and/or any changes since.

After you tell us about a change, depending on the nature of the change, we may:

• charge you additional premium (including any applicable tax)
• change the relevant member’s benefits
• apply different terms to the relevant member’s coverage under the plan
• cancel the relevant member’s coverage under the plan
• send you a new Certificate of Insurance and a new Member ID card (or cards, if there are other members), or
• reassess or reject any related claim of the relevant member.

Note that we may charge you an administration fee to replace any plan documentation or Member ID card.

You can’t change the following during your plan year, but you can write to us to ask us to change these when your plan renews for the next year:

• your plan level
• your optional benefits including taking out an add-on plan
• your excess or coinsurance
• your plan terms, or
• your plan currency.

You must tell us all material facts when making a change.

Adding and removing dependants

Adding a dependant

With our agreement you may add a dependant to your plan after the plan start date. Please contact us and we’ll let you know the information you’ll need to provide us, which may include completing an application form for the dependant, and how we may change your premium as a result. We’ll send you your revised Certificate of Insurance and the new dependant’s Member ID Card each time we add a dependant to your plan.

Start dates for added dependants

If, on the date you contact us to add a dependant, that dependant is less than 31 days old we have covered one of the dependant’s parents for a continuous period of at least 12 months, we’ll add the dependant to your plan regardless of the dependant’s health with effect from the dependant’s date of birth. There is no need to complete an application form; or

• if your plan does not have a moratorium, we’ll (based on a completed application form for the dependant) either cover the dependant from the date on which you accept any terms we offer in relation to such dependant or decline to add the dependant to your plan. If we decline to add a dependant, we’ll explain to you the reason for this in writing.

The terms of your plan will apply to any dependant you add. Please note in particular exclusion 14.16 which excludes any inpatient treatment for an acute medical condition that begins before the dependant is eight days old if the pregnancy was achieved by assisted conception.

Removing a dependant

Please tell us in writing if you’d like to remove a dependant from your plan and we’ll do so. The dependant’s end date will be the date that we receive the request, or a future date that you have given.

You’ll also need to tell us if there are any outstanding claims for their treatment or services and if you’ve incurred any further costs in relation to your plan.

If there aren’t any claims paid or pending for any member on the plan, we’ll issue a pro-rated refund of the removed dependant’s premium.

If you’re waiting for us to approve or pay a claim, we can’t approve it unless we’ve received all premium for the entire plan year. If any member on the plan has made any claims that we have approved and paid, no refund will be issued and all premiums must be paid for the entire plan year.

When you remove a dependant, we’ll send you a new Certificate of Insurance to reflect such removal.
10 Transferring dependants onto your plan

If you’d like to transfer someone from another insurer to your plan, they’ll need to complete a Continuous Transfer Terms (CTT) application form and send us the original Certificate of Insurance or other evidence from their previous insurer which shows:

- their original start date with that insurer,
- their underwriting terms, and
- any special terms that may have applied.

If there’s a break between the end date of their previous insurance plan and their application, we won’t be able to offer a transfer on the same or similar terms as the previous plan.

If we accept the application, we may charge an increased premium. Their cover will begin on the date we receive your acceptance of any special terms we’ve applied, or on a future date you request following your acceptance of those terms, and we have agreed.

11 Cancelling your plan

You must write to us if you decide to cancel your plan. Your last day of cover will be the date we receive your written decision to cancel or on a future date you give us.

If no member has made any claims, or will make any claims, we’ll issue you a pro-rata refund of premium.

If we have not paid you the costs for any claims, but any member has made claims that we have not yet approved, or will make any claims, we won’t approve or pay these costs unless we have received all premium for the entire plan year. We’ll issue you a pro-rata refund of premium if you confirm to us, in writing, that you do not want us to approve any such claim.

If, before the cancellation date, a member has made a claim and we have approved it, we’ll only pay you the costs for any claim before the cancellation date when we have received all premium for the entire plan year. We’ll issue you a pro rata refund of premium only if you pay any costs incurred before the cancellation date.

If we have approved and paid any claim before the cancellation date, we won’t issue you a refund of premium and you must pay us all premium for the entire plan year.

We’ll charge you a cancellation fee of 170 USD or HKD equivalent depending on your plan currency, and we may also charge you an additional fee if there are further or unexpected costs.

We’ll pay you any refunds to the account you originally paid from, less any shortfall as a result of exchange rate differences and any associated bank charges.

You must return the Certificate of Insurance and all Member ID cards to us on cancellation.

If you want to apply for a new plan after cancelling your existing plan, your premium and terms may change and you’ll lose any existing Healthy Behaviours Discount from your previous plan.

12 What happens if you die

If you die, the other members on the plan will be able to apply for continued cover under the plan by sending us a signed application form within four weeks of your date of death. We cannot guarantee cover, we may apply new terms and the premium may change.

Your personal representative can cancel the plan in writing. If you haven’t made any claims, we’ll issue a pro-rata refund of the premium once we’ve received a certified copy of your death certificate. We’re unable to issue premium refunds if we’ve paid a claim.

13 Claims

Should you have any questions concerning your claim, please contact our Member Services Team:

By telephone on +852-3017-4294
By fax on +852-2866-2555
Or by e-mail at AsiaPacServices@aetna.com

We’ll record all calls for monitoring and training purposes.

If you do not know the correct dialling code to use, you can refer to www.business.att.com/bt/access.jsp to find the number for the country you are dialling from. When prompted during the call please enter the access code 855-491-9160 and follow the instructions.

If you are calling from a country not included in the above link, then you can call collect or direct on +852-3017-4294. To call collect you must contact the telephone operator in the country you are calling from and ask to make a collect call to +852-3017-4294. The operator should then connect you to our international helpline at no charge to you.

What can you claim for?

Only qualified medical practitioners, specialists, nurses or therapists with the aim of curing or substantially relieving your medical condition must treat you. Only psychiatrists or qualified and registered psychotherapists or psychoanalysts may give you psychiatric treatment, and only a medical practitioner or specialist can refer you for physiotherapy, podiatry, osteopathic and chiropractic treatment.

If the medical practitioners, specialists, nurses or therapists refer you for further diagnostic tests and procedures or treatment, you must start treatment within 90 days of the referral date for us to be able to pay your costs.

You must tell us about a claim within 180 days of receiving the treatment or services. If you leave it longer, we may not be able to reimburse you.

We’ll only pay reasonable costs for claims. Reasonable costs are the average cost of treatment, expertise or services given by similar types of medical provider within the same country or geographical region, based on our knowledge and experience.

We’ll pay for hospital accommodation (including meals) up to the cost of a standard single room with a private bathroom.

If you incur costs above the limits shown in your Benefits Schedule or you use a visiting doctor whose costs are higher than those of a medical facility’s in-house doctor, you’ll have to pay the difference.
What you need to know when claiming

We’ll email you a Member ID card (or cards, if there are other members) when your plan starts. You must show your Member ID card to the medical provider when you go for preauthorised inpatient treatment or daycare treatment (please see the section called ‘Requesting preauthorisation’ below for more details). If you’re entitled to direct settlement, you must show this card when getting outpatient treatment at a direct settlement facility.

You’ll need to quote your plan number and Member ID in all correspondence with us relating to your claim.

Keep copies of the information about your claim for your own records. We won’t be able to return any original claim documents to you after we’ve paid the claim.

We may ask you for more information to help us process your claim, and we may ask a specialist or medical practitioner of our choice to examine you.

We may also request further tests or evaluations if we decide that a medical condition may be directly or indirectly related to a medical condition we do not cover you for. We may decline your claim if we don’t have sufficient information to assess it.

You must tell us about any negotiations or settlement discussions you enter into with any other party about any action or omission which leads to a claim under your plan. You mustn’t agree to a settlement with any party without our prior written agreement.

Requesting preauthorisation

Before you make a claim, please read your Benefits Schedule to make sure your plan covers the treatment you need.

You need to request preauthorisation before you receive any treatment or services, or incur any costs, if you want us to meet such costs in accordance with your plan for any of the following:

- medical evacuation
- inpatient treatment or daycare treatment admission
- preparation or transportation of body or mortal remains
- psychiatric treatment
- prescription for more than three months’ supply of drugs for the management of a chronic medical condition
- single treatment or service that costs more than 500 USD or its equivalent in another currency

If it’s not possible to request preauthorisation in an emergency, you must notify us of the treatment or services within 24 hours. If you fail to notify us, we may pay only a portion of an eligible claim.

We’ll liaise with your medical provider during your claim. If necessary we’ll provide you with a ‘Release of medical information’ form. You’ll need to fill in this form to authorise your medical practitioner or specialist to release information to us about you under relevant data protection legislation.

If you have an eligible claim we’ll issue a letter of guarantee of payment to your medical provider. We’ll let you know as soon as possible if you have an ineligible claim.

When calling to request a preauthorisation, make sure you have your Member ID card to hand, your medical practitioner or specialist’s name and the medical provider’s name and telephone number.

If we give you preauthorisation, we’ll settle all eligible claims directly with your medical provider. If we are unable to settle your eligible claims directly, we will reimburse you instead.

Inpatient, daycare and outpatient direct settlement

If you’re admitted to a hospital which is in our medical provider network or you receive daycare treatment, we’ll take care of your eligible claims for such hospital bills. You don’t have to worry about paying large bills upfront. All you have to do is pay the relevant excess or coinsurance. If your plan benefits from outpatient direct settlement (which can be referred to as direct billing), we’ll pay your eligible outpatient bills directly to any medical provider which is in our medical provider network so that you’re not out of pocket. If the relevant medical provider is not in our medical provider network, we’ll reimburse you for any eligible claims instead.

How to make a direct settlement claim on an outpatient basis

You must:

1. Check that we cover your treatment under your plan; if you’re not sure, please contact us.
2. Visit a medical provider within our network for outpatient treatment.
3. Show your Member ID card to the relevant medical provider. The provider should then treat you and liaise with us to settle your claim (subject to point 4).
4. Pay any excess or coinsurance shown on your Member ID card or in your Benefits Schedule.

How to make a claim for outpatient treatment

You must:

1. See your medical practitioner, therapist or specialist in the usual way.
2. Ask your medical provider to complete the relevant section of the claim form which you can download from aetnainternational.com.
3. Pay your bill for the treatment you receive. Make sure you get an original itemised invoice and/or original receipt.
4. Or you can submit a claim online by completing the form and uploading scanned copies of any supporting documents.

Complete one claim form for each medical condition. Send your claim form to us at AsiaPacServices@aetna.com along with scanned copies of any supporting documents.

You should send us these documents as soon as possible and in any event no later than six months after the first treatment date.
Ineligible claims

If you attend a direct settlement hospital, clinic or other medical facility in our medical provider network and we later determine that your claim is ineligible, we have the right to recover the full claim amount from you. If we pay a claim, it isn’t an indication of our acceptance of liability for the claim or confirmation that we’ll pay further costs for the same medical condition or related medical condition.

If we determine that a claim we’ve already approved is ineligible, we won’t pay for the claim. If we’ve already paid any costs, you’ll need to repay them to us within 14 days or we may withdraw any associated preauthorisation, cancel your plan and keep the premium. If you’d like us to reassess a claim we’ve rejected, you’ll have to prove that the claim is covered under the plan.

Stay healthy to save

If you’re a member of an Aetna Pioneer 4000, 5000, or 5000+ plan, you can take advantage of our Healthy Behaviours Discount programme by logging in to the Health Hub. If your plan stays claim-free for one or more plan years, you’ll receive a discount of up to 25% over five years. However, if you submit an eligible claim for a previous plan year after we’ve given you a Healthy Behaviours Discount, the discount will be removed and you’ll need to pay the full, undiscounted premium before we can pay your claims.

Exchange rate

If, acting reasonably, we determine that any central bank or relevant government or governmental authority imposes an artificial exchange rate (including without limitation an exchange rate which is inconsistent with the free market exchange rate) in relation to a relevant currency for any reason, we may in our sole discretion reimburse you for your valid claims incurred in that country in any manner we may reasonably decide. In making such determination we shall seek to ensure that we indemnify you for your loss (subject to the terms and conditions of your policy) but do not unjustly enrich you as may have been the case had we applied such artificial exchange rate to pay you in the plan currency. We will reimburse you in (i) the applicable local currency, or (ii) if you do not have a bank account in such local currency, in the plan currency in an amount equal to the applicable Reasonable and Customary Charges. In either case, the reimbursement will be subject to the principle of indemnity we mention above.

Other insurance

If another insurer covers an eligible claim under your plan, we’ll deduct any payments you’ve received from the other insurer (plus any excess or coinsurance amounts under your other insurance plan).

Claims against third parties

If we have paid money to you (or to a medical provider on your behalf) in accordance with this plan, and you are entitled to receive money from any other party (including another insurer) for the same claim, we have the right to proceed against such other party in your name and to recover from you the money you receive (or have received) from such other party, up to and including the amount that we have paid.

You must notify us immediately in writing if you pursue or intend to pursue another party for such claim. We shall then decide whether or not to exercise our right under this section.

You must cooperate with us if we exercise this right.

Unless you have our prior written consent, you must not admit liability or fault to, or agree to a settlement with, such other party.
14 Exclusions

Staying with us

15 How to renew your plan
If you’re eligible to renew, we’ll send you a renewal communication at least six weeks before the plan renewal date, which will include a renewal quotation, new plan documents and instructions on what to do next. The renewal quotation will show any changes to your plan and premium and explain how you can request changes to your plan.

Automatic renewal
If you pay your premium for your current plan by card or direct debit, we’ll automatically renew your plan unless you tell us in writing before your plan renewal date that you either want to make changes to your plan or you do not want to renew your plan. If the card or account details are no longer valid, we’ll ask you to provide new details so we can collect your premium.

Non-automatic renewal
Follow the instructions in your renewal communication to renew or request changes to your plan. If you do not want to renew, you don’t have to do anything, but that means your plan with us will end on the last day of your current plan year.
