**Before you join us**

1 Introduction

Your plan documents detail what we do and don’t cover under your plan, as well as giving you important information about the terms and conditions of your plan. Please read this information carefully to make sure you’re completely satisfied with the cover we’re providing. If you have any questions, please contact us and we’ll be more than happy to help.

We don’t guarantee that your plan meets personal tax requirements and/or the visa and/or social health care requirements of the country you’re residing in. It’s your plan sponsor’s responsibility to ensure that any plan it chooses meets your needs.

If your area of cover is Area 1, you’re a citizen of the United States (US) and you spend more than 183 days in aggregate in the US in any one plan year, (i) we may cancel your cover, and (ii) you may be required to buy an ACA compliant plan or face US tax penalties.

If coverage provided by your plan violates or will violate any United States (US), United Nations (UN), European Union (EU) or other applicable economic trade sanctions, the coverage is immediately considered invalid. For example, Aetna companies cannot make payments or reimburse for health care or other claims or services if it violates a financial sanction regulation. This includes sanctions related to a blocked person or entity, or a country under sanction by the US, unless permitted under a valid written Office of Foreign Asset Control (OFAC) license. For more information on OFAC, visit [www.treasury.gov/resourcecenter/sanctions/Pages/default.aspx](http://www.treasury.gov/resourcecenter/sanctions/Pages/default.aspx).

Cover is subject to legal or regulatory requirements, depending on your nationality and country of residence.

Important information

Section 25(S) of the Insurance Act (Cap 142) requires that you disclose fully and faithfully in your application for cover, any information or facts which you know or ought to know, otherwise you may receive nothing from the plan.

2 Eligibility

**Main member**

To be eligible for the plan sponsor to add you as a main member to this plan, you must:

- be an employee of the plan sponsor, or if we agree, an employee of a company that is part of the same corporate group as the plan sponsor;
- be a certain level of seniority or be in a certain location that the plan sponsor has chosen and that we have agreed, if the plan sponsor does not want to include all employees on its plan,
- be aged 18-64 inclusive at your date of joining. If you’re aged over 64 at your date of joining you may also be eligible; we will need to ask you some medical questions in order to decide if we can include you and on what terms; and
- not be a citizen of the US who resides in the US.

Your plan sponsor may add a main member to this plan within 30 days of the proposed main member meeting the above criteria. At any other time, we will need to ask the proposed main member questions in order to decide if we can include them and on what terms.

**Dependants**

If a main member wishes to include a dependant on their plan, they must be the main member’s:

- Spouse or partner;
- Unmarried child, stepchild or legally adopted child under the age of 18; or
- Unmarried child, stepchild or legally adopted child aged 18 to 26 who is in continuous full-time education. We may need written proof from the educational facility where they are enrolled.

Your plan sponsor may add a dependant to your plan at any time. However, we may need to ask them some questions in order to decide if we can include them and on what terms if:

- you want to add them more than 30 days after the relevant main member’s start date;
- for a child, you want to add them more than 30 days after their birth or legal adoption; or
- for a spouse or partner, they are aged over 64 at their proposed date of joining.

We’ll apply the same benefits to main members and their dependants on your plan, subject to legal or regulatory requirements.

3 Joining the plan

Your plan sponsor must contact us to add a main member to this plan. We won’t be able to add the proposed main member until we receive all relevant information about them from the plan sponsor.

Your plan sponsor will tell the main member their future start date, which will also be shown on the main member’s Certificate of Insurance. We’re unable to backdate any cover.

We’ll send the main member Member ID cards for each member. Note that we may charge you or the plan sponsor an administration fee to replace any plan documents or Member ID card. You can access your Certificate of Insurance and other plan documents through your Health Hub.
Provider access

We have two provider access options; Open Access and Singapore Raffles.

The plan sponsor has selected a provider access option for your Aetna Summit plan. This option will apply throughout the plan year.

Your chosen option is shown on your Certificate of Insurance and Member ID card.

For more information on provider access, please see below or contact us if you have any further questions.

Open access

Gives you access to any medical provider of your choice within your area of cover.

Singapore Raffles

• Within Singapore

Gives you access to Raffles Hospital, Raffles Medical Clinic, Raffles Specialists, Singapore Government Restructured Hospitals and Singapore Government Restructured Medical Centers. This provider access condition applies to all treatment related benefits, except for dental treatment, optical care, wellness, as well as outpatient podiatry, osteopathic, chiropractic, ayurvedic and homeopathic treatments.

Treatment in Singapore Raffles must be received on a direct billing basis. If you pay directly to the providers within the Singapore Raffles access option, we won’t be able to consider any claims or reimburse you.

For consultation and treatment with a specialist in Government and Restructured Hospitals and Medical Centers’ you’ll need to pay for outpatient treatment first and then seek reimbursement from us. Your claim will be assessed under the terms and conditions of your plan when we receive it. We’ll facilitate the issuance of Guarantee of payment for inpatient or daycare treatment.

If your medical condition is an emergency and you receive treatment at the Accident and Emergency department of a hospital, you can access any medical provider of your choice.

If you visit a provider outside the Singapore Raffles access option, you’ll need to pay and then seek reimbursement from us. Your claim will be assessed under the terms and conditions of your plan when we receive it.

• Outside Singapore

Gives you access to any medical provider of your choice within your area of cover.

When receiving treatment within any provider access option, you or your personal representative must still request preauthorisation in line with the details given in your Benefits Schedule and in the ‘Claims’ section of this Handbook.

Government Restructured Hospitals and Medical Centers comprise the following: Alexandra Hospital, Changi General Hospital, Ng Teng Fong General hospital, National University Hospital, Khoo Teck Phua Hospital, Singapore General Hospital, Tan Tock Seng hospital, KK Women’s and Children’s Hospital, National Heart Centre, Singapore National Eye Hospital, Tan Tock Seng hospital, National Cancer Centre, National Skin Centre, National Neuroscience Institute, Singapore community hospitals, Communicable Disease Centre, Institute of Mental Health and Jurong Medical Centre, the list above is last updated in October 2015 and subject to changes mandated by Ministry of Health Singapore without prior notice.

Pre-existing medical conditions

Moratorium

If your Certificate of Insurance shows that your underwriting terms are moratorium or CTT previously MORI, this means your claim will not be paid if it’s relating to a pre-existing medical condition should one or more of the following have applied within the 24-month period before your date of joining (or the date shown in the special terms section of your Certificate of Insurance):

• it could be reasonably foreseen that the medical condition would occur after your start date,

• the condition clearly showed itself,

• you had signs or symptoms of the condition,

• you asked for advice about the condition,

• you received treatment for the condition, or

• to the best of your knowledge, you were aware you had the condition.

Once you’ve completed a continuous 24-month period after your date of joining we may cover your pre-existing medical condition provided you’ve not had symptoms, needed or received treatment, medication, a special diet or advice, or had any other indications of the condition.

Full Medical Underwriting

If your Certificate of Insurance shows that your underwriting terms are Full Medical Underwriting or CTT previously FMU, we will not pay a claim relating to a medical condition or symptom that you were aware of before your date of joining unless you told us about it during the application for your plan and your Certificate of Insurance doesn’t show an exclusion for that medical condition.

Medical History Disregarded

We will cover your pre-existing medical conditions, subject to the benefits, terms and conditions of your plan.
Clinical policy bulletins

For information on how we classify certain treatments and services, visit aetna.com/health-care-professionals/clinicalpolicy-bulletins.html. Our clinical policy bulletins (CPBs) are based on objective and credible sources, including scientific literature, guidelines, consensus statements and expert opinions. They’re not a description of cover or confirmation that we cover these treatments, services or costs under your plan. If there’s a discrepancy between a CPB and your plan, your plan terms will apply.

Help us prevent fraud

Fraud is a crime and health care fraud increases premiums for our customers. With your help, we’ll do our utmost to detect and eliminate it.

Health care fraud includes:

- giving false or misleading information to get insurance or a premium reduction,
- claiming for treatments or services that you haven’t received,
- altering or amending invoices or bills,
- giving a false diagnosis,
- claiming from more than one insurer for the same treatment or service, or
- using somebody else’s insurance to get treatment or services.

How you can help protect yourself and keep premiums down

There are simple steps you can take to protect yourself from health care fraud, including:

- comparing invoices with your records, checking dates are correct and that you received the treatments or services shown,
- asking questions if there’s anything you’re unsure about, don’t understand, expect or recognise,
- keeping in touch with us when you’ve made a claim,
- letting us know if you’re concerned your doctor is giving you unsuitable treatment,
- filling in claim forms carefully,
- looking after your insurance details and documents and keeping copies of any correspondence,
- making sure you understand any documents before you sign them, and
- reporting suspected fraud to us.

We work closely with others to prevent fraud

We’re committed to protecting you against fraud and also have statutory responsibilities to prevent our products from being used for financial crime. We work with other bodies such as international insurance bodies, international police, investigative agencies, regulatory bodies, legal agencies, and government departments to do this.

If you suspect fraud

9 Adding and removing dependants

Your plan sponsor must contact us to add each person who a main member wishes to include on their plan as a dependant (and who we agree meets the ‘dependant’ eligibility criteria described in this Handbook). We won’t be able to add them until we receive all relevant documents and information about them that we request.

Cover will start on the future date we agree with your plan sponsor. If on the date the plan sponsor contacts us to add a proposed member as a dependant, they’re less than 31 days old and we have covered one of their parents for a continuous period of at least 12 months, we’ll add them as a dependant to your plan with effect from their date of birth, regardless of their health. The plan sponsor and/or the main member will not need to complete an application form, and it is the plan sponsor’s responsibility to disclose to us any material circumstance that would influence our judgement as to whether to add the proposed member.

The terms of the main member’s plan will apply to the added dependant. Once we’ve accepted a proposed dependant, we’ll send the main member the new Member ID card and an updated Certificate of Insurance.

10 Removing a member

A main member should contact their plan sponsor in advance to request the removal of a dependant from your plan, we’ll remove the dependant on the future date the plan sponsor requests, and we’ll send the main member a revised Certificate of Insurance.

The plan sponsor can remove members from your plan at any time.

We can remove you from your plan and notify your plan sponsor if:

- you no longer meet the eligibility criteria set out in the eligibility section of this Handbook; or
- you make a false or fraudulent claim.

If the plan sponsor, or we, remove a main member from the plan, we will also remove all of their dependants. The plan sponsor will let you know if they, or we, are planning to remove you and what your end date will be.

The plan sponsor is responsible for ensuring that the removed member deletes or destroys his or her Certificates of Insurance and Member ID cards on or by that member’s end date. If a member the plan sponsor has removed obtains treatment after that member’s end date that we’ve paid for, we have the right to recover the full amount of the claim from the plan sponsor or that member.

11 Plan cancellation

Your plan sponsor will let you know if they are planning to cancel your plan and what your end date will be.

You won’t be able to make a claim for any costs incurred after the end date.

The plan sponsor is responsible for ensuring that all members delete or destroy his or her Certificates of Insurance and Member ID cards on or by that member’s end date. If a member obtains treatment after that member’s end date that we’ve paid for, we have the right to recover the full amount of the claim from the plan sponsor or that member.

12 Plan renewal

This plan is an annual contract. If your plan sponsor renews your plan, we’ll send the main member the new plan documents and Member ID card which will apply from the plan renewal date.

If a main member’s child is no longer eligible as a dependant at the plan renewal date, that child can apply for their own Aetna individual plan. As long as there is no break in their cover with us, we may continue the terms of their previous plan.

What can you claim for?

Only qualified medical practitioners, specialists, nurses or therapists with the aim of curing or substantially relieving your medical condition must treat you. Only psychiatrists or qualified and registered psychotherapists or psychoanalysts may give you psychiatric treatment, and only a medical practitioner or specialist can refer you for physiotherapy, podiatry, osteopathic and chiropractic treatment.

If the medical practitioners, specialists, nurses or therapists refer you for further diagnostic tests and procedures or treatment, you must start treatment within 90 days of the referral date for us to be able to pay your costs.

You must tell us about a claim within 180 days of receiving the treatment or services. If you leave it longer, we may not be able to reimburse you.
We’ll only pay reasonable costs for claims. Reasonable costs are the average cost of treatment, expertise or services given by similar types of medical provider within the same country or geographical region, based on our knowledge and experience.

We’ll pay for hospital accommodation (including meals) up to the cost of a standard single room with a private bathroom.

If you incur costs above the limits shown in your Benefits Schedule or you use a visiting doctor whose costs are higher than those of a medical facility’s in-house doctor instead, you’ll have to pay the difference.

What you need to know when claiming

You must show your Member ID card to the medical provider when you go for preauthorised inpatient treatment or daycare treatment (please see the section called ‘Requesting preauthorisation’ below for more details). If you’re entitled to direct settlement, you must show this card when getting outpatient treatment at a direct settlement facility.

You’ll need to quote your plan number and Member ID in all correspondence with us relating to your claim.

Keep copies of the information about your claim for your own records. We won’t be able to return any original claim documents to you after we’ve paid the claim.

We may ask you for more information to help us process your claim, and we may ask a specialist or medical practitioner of our choice to examine you.

We may also request further tests or evaluations if we decide that a medical condition may be directly or indirectly related to a medical condition we do not cover you for. We may decline your claim if we don’t have sufficient information to assess it. You must tell us about any negotiations or settlement discussions you enter into with any other party about any action or omission which leads to a claim under your plan. You mustn’t agree to a settlement with any party without our prior written agreement.

Requesting preauthorisation

Before you make a claim, please read your Benefits Schedule to make sure your plan covers the treatment you need.

You need to request preauthorisation before you receive any treatment or services, or incur any costs, if you want us to meet such costs in accordance with your plan for any of the following:

- medical evacuation,
- inpatient treatment or daycare treatment admission,
- preparation or transportation of body or mortal remains,
- psychiatric treatment,
- prescription for more than three months’ supply of drugs for the management of a chronic medical condition, or
- single treatment or service that costs more than $500 USD or its equivalent in another currency.

If it’s not possible to request preauthorisation in an emergency, you must notify us of the treatment or services within 24 hours. If you fail to notify us, we may pay only a portion of an eligible claim.

We’ll liaise with your medical provider during your claim. If necessary we’ll provide you with a ‘Release of medical information’ form. You’ll need to fill in this form to authorise your medical practitioner or specialist to release information to us about you under the relevant data protection legislation.

If you have an eligible claim, we’ll issue a letter of guarantee of payment to your medical provider. We’ll let you know as soon as possible if you have an ineligible claim.

When calling to request preauthorisation, make sure you have your Member ID card to hand, your medical practitioner or specialist’s name and the medical provider’s name and telephone number.

If we give you preauthorisation, we’ll settle all eligible claims directly with your medical provider. If we are unable to settle your eligible claims directly, we will reimburse you instead.

Inpatient, daycare and outpatient direct settlement

If you’re admitted to a hospital which is in our medical provider network or you receive daycare treatment, we’ll take care of your eligible claims for such hospital bills. You don’t have to worry about paying large bills upfront. All you have to do is pay the relevant excess or coinsurance. If your plan benefits from outpatient direct settlement (which can be referred to as direct billing), we’ll pay your eligible outpatient bills directly to any medical provider which is in our medical provider network so that you’re not out of pocket. If the relevant medical provider is not in our medical provider network, we’ll reimburse you for any eligible claims instead.

How to make a direct settlement claim on an outpatient basis

You must:

1. Check that we cover your treatment under your plan; if you’re not sure, please contact us.
2. Visit a medical provider within our medical provider network for outpatient treatment.
3. Show your Member ID card to the relevant medical provider. The provider should then treat you and liaise with us to settle your claim (subject to point 4).
4. Pay any excess or coinsurance shown on your Member ID card, in your Benefits Schedule or on your Certificate of Insurance.

How to make a claim for outpatient treatment

You must:

1. See your medical practitioner, therapist or specialist in the usual way.
2. Ask your medical provider to complete the relevant section of the claim form which you can download from aetnainternational.com.
3. Pay your bill for the treatment you receive. Make sure you get an original itemised invoice and/or original receipt.
4. Complete one claim form for each medical condition. Send your claim form to us at AsiaPacServices@aetna.com along with scanned copies of any documents.
5. Or you can submit a claim online by completing the form and uploading scanned copies of any documents to the ‘Claims Centre’ in the Health Hub.

You should send us these documents as soon as possible (and in any event no later than 180 days) after the first treatment date.

Ineligible claims

If you attend a direct settlement hospital, clinic or other medical facility in our medical provider network and we later determine...
that your claim is ineligible, we have the right to recover the full claim amount from you. If we pay a claim, it isn’t an indication of our acceptance of liability for the claim or confirmation that we’ll pay further costs for the same medical condition or related medical condition.

If we determine that a claim we’ve already approved is ineligible, we won’t pay for the claim. If we’ve already paid any costs, you’ll need to repay them to us within 14 days or we may withdraw any associated preauthorisation, cancel your plan and keep the premium.

If you’d like us to reassess a claim we’ve rejected, you’ll have to prove that the claim is covered under the plan.

Exchange rate

If, acting reasonably, we determine that any central bank or relevant government or governmental authority imposes an artificial exchange rate (including without limitation an exchange rate which is inconsistent with the free market exchange rate) in relation to a relevant currency for any reason, we may in our sole discretion reimburse you for your valid claims incurred in that country in any manner we may reasonably decide. In making such determination we shall seek to ensure that we indemnify you for your loss (subject to the terms and conditions of your plan) but do not unjustly enrich you, as may have been the case had we applied such artificial exchange rate to pay you in the plan currency. We will reimburse you in (i) the applicable local currency, or (ii) if you do not have a bank account in such local currency, in the plan currency in an amount equal to the applicable reasonable and customary charges. In either case, the reimbursement will be subject to the principle of indemnity we mention above.

Other insurance

If another insurer covers an eligible claim under your plan, we’ll deduct any payments you’ve received from the other insurer (plus any excess or coinsurance amounts under your other insurance plan).

Claims against third parties

If we have paid money to you (or to a medical provider on your behalf) in accordance with your plan, and you are entitled to receive money from any other party (including another insurer) for the same claim, we have the right to proceed against such other party in your name and to recover from you the money you receive (or have received) from such other party, up to and including the amount that we have paid.

You must notify us immediately in writing if you pursue or intend to pursue another party for such claim. We shall then decide whether or not to exercise our right under this section. You must cooperate with us if we exercise this right.

Unless you have prior written consent, you must not admit liability or fault to, or agree to a settlement with, such other party.

14 Exclusions

Your plan doesn’t cover claims for, arising from or connected to the exclusions in this section unless shown otherwise in your Benefits Schedule or we’ve agreed separately in writing, and we’ll seek to recover from you any payments we’ve made if we determine an exclusion applies to a claim we’ve already paid.
