I authorise the doctor named in section G or any other medical establishment, including any other health professional who has treated me and any of my dependants included under this plan, to give you any information you may need in connection with any claim made under these plans.

I understand that if I do not provide the information asked for in sections E, G and I, and I or any of my dependants included under these plans make a claim, which you view as being treatment for a pre-existing medical or related medical condition, the claim may be rejected.

I understand that should I or one of my dependants attend a hospital, clinic or medical facility where direct billing or cashless arrangements are in place and my claim is subsequently found to be ineligible, Aetna has the right to recover the full amount of the ineligible claim from me or one of my dependants.
