Section 6 – Applicant’s Declaration

My spouse, competent adult **dependants**, and I (who are applying for **cover** under this application) authorise any physician, health care professional, **hospital**, other health care institution (“Providers”), and my employer to disclose, to the extent allowed by applicable law, to Aetna International or an affiliated entity (“Aetna”), information concerning the medical history, services, supplies, or **treatment** provided to anyone listed on this application, including dental, substance abuse and HIV/AIDS services (“health care information”).

I confirm and agree that personal information and/or health care information collected or held by Aetna International, whether contained in this application form or otherwise obtained, may be disclosed worldwide to Aetna affiliates, Providers, payors, other insurers, third party administrators, vendors, consultants, governmental authorities with appropriate jurisdiction, when necessary for care or **treatment**, payment for services, and activities related to the operation of my health plan.

I understand that Aetna International may rely on such information to: 1) underwrite this application for **cover**, including, as needed, making eligibility, risk rating, and enrolment determinations for all of the applicants; 2) administer claims and determine or fulfill responsibility for **cover** and provisions of **benefits**; 3) administer **cover**; and 4) conduct other insurance operations, like marketing and publicity, according to applicable laws and regulations.

I have discussed the terms of this authorisation with my spouse and competent adult **dependants**, and I have obtained their consent to the release of their health care information pursuant to this authorisation. I understand that I may decline to provide Aetna International with consent to process my personal or health care information; however, this may result in declination of **cover**.

I understand that I may review and offer corrections to my personal or health care information, to the extent allowed by law, receive a copy of this authorisation upon request, and that a photocopy is as valid as the original; and I may revoke this authorisation at any time, to the extent it has not been relied upon by Aetna International or other party. I also have the right to opt out of any direct marketing campaigns.

This authorisation shall remain valid for the term of this **cover** or for so long as allowed by law.

I understand it is unlawful for me or my **dependants** to knowingly provide false, incomplete or misleading facts or information to Aetna International for the purpose of defrauding or attempting to defraud Aetna International. Penalties may include imprisonment, fines, denial of **cover**, rescission of **benefits**, and legal damages.

I acknowledge that Aetna International’ participating providers are independent contractors and are not agents or employees of Aetna International or any affiliated Aetna entity.

I understand and accept Section 4 on Pre-existing Condition(s) and I have declared all material facts which relate to this application.

I declare that the answers given are to the best of my knowledge full, true and complete and have checked and found correct any answers and statements in this application that are not in my own handwriting.

I agree that where medical **treatment** is received within the **provider network** by myself or any of my **dependants** and it is substantiated that the **treatment** or **medical condition** is not refundable within the terms and conditions of the **policy**, that I, as the **member**, shall be fully responsible for reimbursement to Aetna International within 14 days of receipt of notice of such non-refundability of all funds expended in connection with any claim for such medical **treatment**.

I understand and confirm that where I have not made repayment of funds disbursed by Aetna International in respect of such medical **treatment** not covered by the **policy**, Aetna International shall use all available means to recover owed funds and will suspend **cover** for the **member** until the date of full settlement of all outstanding amounts due from the **member** to Aetna International at which point **cover** shall be reinstated on the same basis as immediately prior to the suspension. In no event shall any claim for **Treatment** received during any period of suspension be made or met.

Additional Provisions for Members applying for Continuous Transfer Terms

I understand that if any statement made above or, if accepted for **cover**, if any subsequent claims made are found to be fraudulent or unfounded my **cover** will be cancelled as if I had no **cover** in place from the start, and any **benefits** shall be forfeited and recoverable by Aetna International.

Where **you** transfer to this plan from any other of **our** existing plans or, whilst covered under this plan, **you** receive any enhanced **cover** (such as inclusion of an option at any **renewal date**), any enhanced **cover** or maximum refundable amounts are restricted to new **medical conditions** which have not been previously suffered from, whether or not diagnosed, after the date of transfer.

Transfer of any similar private medical **cover** provided by any other insurer is subject to submission of a copy of the **certificate of insurance** and subject to there being no break in **cover**. **we** reserve the right at all times to decline an application without giving any reason and/or to offer alternative terms.
