Medical Calendar Caveats

This calendar includes coverage for women's preventive health benefits to the extent required under U.S. federal law effective beginning with calendar years starting on or after August 1, 2012.

Coinsurance Limits, also known as payment limits, apply per individual on a calendar year basis. The deductible met and those out-of-pocket expenses resulting from the application of a payment percentage may be used to satisfy the payment limit. Copays, benefit penalties and 50% items are excluded from the payment limit. Also excluded from the coinsurance limit are those amounts which providers not in an Aetna network may charge as costs above Reasonable & Customary charges. Providers who are not part of an Aetna network may invoice you directly for amounts they charge which are above negotiated rates. These amounts will not apply toward your coinsurance limit.

calendar

There is cross-application between calendar year deductible, out of pocket maximum and lifetime maximum across overseas, in-network and out-of network level of benefits.

Coverage maximums up to a certain number of days/visits per calendar year are reached by combining the Preferred and Non-Preferred benefits up to the limit for either one calendar or the other, but not both. (Example, if the Preferred benefit is for 120 days and the Non-Preferred benefit is for 120 days, the maximum benefit is 120 days, not 240 days).

Maternity expenses are covered as any other medical expense. Coverage is provided for an employee and spouse and all female family members.

For contracted hospitals, the non-contracted Radiologist, Anesthesiologist and Pathologist (RAPS) are paid at the preferred level, and will be subject to reasonable and customary charges. Note that this payment method may apply to other providers.

Co-payments and coinsurance for chiropractic visits are capped at 25% of the amount due to the chiropractor

Benefit maximums per Calendar year are calculated between 01/01/2023 and 12/31/2023.

Pre-Existing Conditions:

- *Option: - (No Restriction)*

When receiving treatment within the United States, you are strongly encouraged to use Aetna network providers. *An Aetna customer service representative can help you identify doctors, hospitals, clinics, pharmacies, and other contracted network providers for you to consider. These network providers have contracted with Aetna to provide medical services and supplies at a reduced fee called the negotiated charge. This is how Aetna is able to control medical costs for its participants and keep premiums affordable. Your deductibles, copayments, and payment percentage will generally be lower when you use participating network providers and facilities. You may choose to use non-contracted providers, however your out-of-pocket costs will then generally be higher. If you receive treatment or supplies from providers that have not contracted with Aetna, Aetna will only pay the amount that they would have paid if a network provider had been used. In other words, Aetna will not usually pay the full amount charged to you by a non-network provider. Since out-of-network providers have not agreed to accept Aetna's negotiated charge as payment in full, they may bill you for the difference between what they bill and the "in-network" negotiated amount that Aetna actually pays. YOU WILL BE RESPONSIBLE TO PAY FOR THESE EXCESS OUT-OF-NETWORK CHARGES EVEN IF YOU HAVE ALREADY SURPASSED YOUR CALENDAR YEAR DEDUCTIBLE AND OUT-OF-POCKET MAXIMUM EXPENSE LEVELS since your deductibles and out-of-pocket maximums apply to in-network costs.*

The proposed calendar of benefits is underwritten by Aetna Life Insurance Company (Delaware).
