

Aetna International: How the Program Works

for The Church of Jesus Christ of Latter-day Saints

DMBA/Missionary Medical Program

Network Partner: **GMMI**

Welcome to Aetna International!

Since medical expenses for Young Missionaries are fully paid for using The Church's tithing funds through the DMBA/Missionary Medical-Aetna International program, it is important to understand how the program is intended to work. This **"How the Program Works"** document is intended to provide you with a high-level overview regarding the basic function of the Aetna International plan for the Young Missionaries in your area. It will also serve as a reference guide to assist you with the answers to many of the questions or situations you may encounter while securing care for the Young Missionaries. Please take the time to become familiar with this document and should you ever have any questions regarding it or how the plan works in general, please feel free to reach out to your assigned Aetna International Account Manager.

With Aetna International coverage, the advantages for the Mission President and Young Missionaries will be:

- Simplify the administration of health care benefits for the Mission and the missionaries.
- Provide access to providers, clinics, and hospitals through a locally recognized Network Partner as well as offer quality, cost-effective care using their expertise with the local healthcare system(s).

Network Partner: GMMI

It is important to understand that Aetna **is not** a recognized insurer in your area. To provide you with access to a network of providers and facilities, we have formed a network partnership with a local partner in your area that is well known and has an established network for you to utilize. For your area, the network partner is GMMI.

IMPORTANT: When presenting the insurance to a provider, it is imperative that you mention it is through GMMI and not Aetna. Since Aetna is not a recognized insurer in your area, mentioning Aetna as the insurer will almost always result in cash being demanded at time of service.

A listing of participating facilities and providers within GMMI's network is available to you at any time on your Area/Location's page of the custom website Aetna has created for the Missions to use at <https://www.aetnainternational.com/en/site/lds.html> or GMMI's Provider Portal at <https://costcontainment.gmmi.com/aetna-international-provider-search>. However, the Mission is not restricted to only seeking care from those providers that are participating (more under "How to Access Care")

ID Cards

ID cards will be mailed directly to the Missions from Aetna and will be branded with the GMMI logo. When the ID cards are received, please hand them out to the missionaries along with “**Important – Missionary Instructions**” (*the ID Card letter*). The ID card letter is a DMBA/Missionary Medical document that iterates the responsibility of having an ID card as well as touches on how to access care.

IMPORTANT: The DMBA/Missionary Medical-Aetna International coverage for a Young Missionary terminates on the day the mission assignment formally ends, as reported by the Missionary Department. All forms of the ID card (physical and digital) should be collected and destroyed. Failure to collect cards from a Young Missionary that has returned home could result in that missionary inappropriately using their card after their plan has ended resulting in extra Church resources being used to compensate for the cost of the services.

If a Young Missionary loses their ID card or it has been stolen, please send an email to LDSIDCARDS@aetna.com to request a replacement. You will need to include the Young Missionary’s full name (first and last) and their Aetna W ID number.

How to Access Care

IMPORTANT: Whenever a Young Missionary needs medical attention, they must obtain approval from the Mission President, his wife, a Mission Health Advisor, or any aptly appointed Mission Leader, who will need to contact GMMI and/or the facility/provider on their behalf. In the event of any emergent situation, the missionary should seek immediate care and the Mission Leaders should be notified as soon as possible.

In-Network/Participating Facilities/Providers: When a direct payment arrangement is required.

- Mission should identify a participating facility/provider using the provider listing found on the page for the Area/Location/Country that your Mission is located in, on the custom website that Aetna has created for the Missions at <https://www.aetnainternational.com/en/site/lds.html> or GMMI’s Provider Portal at <https://costcontainment.gmmi.com/aetna-international-provider-search>.

NOTE: Please DO NOT use eMed to validate a facility/provider’s participation in the network. eMed is a DMBA/Missionary Medical website and the information in it is managed by the Missions, not by Aetna or any network partners. Neither Aetna nor any network partners have access to eMed.

- Once a participating facility/provider is identified, the Mission or the missionary should make an appointment directly with the facility or medical provider.
- **As soon as an appointment is made or as soon as a missionary is in-route to a network facility/provider, the authorizing Mission Leader should call or email a request directly to the network partner for your area to obtain a Letter of Guarantee (LOG).**

Request a Letter of Guarantee (LOG) - GMMI

Call: +813-775-0426

Email (Preferred): aetna-lds@gmmi.com

Be prepared to share/provide the information as outlined on the last page (“*Form to request a Letter of Guarantee for care*”) of this document. You can copy and paste from that page into an email or print, fill out and email as an attachment.

- The Mission should direct the missionary to go to in-network facility/provider and be prepared to present his/her GMMI ID card, copy of the LOG that was obtained (*if possible*), and another form of valid ID upon arrival.

Failure to follow the process as outlined above may result in the participating facility/provider requiring payment at the time of service.

How to Access Care - Continued

IMPORTANT: If for any reason the participating facility/provider (as found on the provider listing found on the page for the Area/Location/Country that your Mission is located in, on the custom website that Aetna has created for the Missions at <https://www.aetnainternational.com/en/site/lds.html>) requires any form of payment, at time of service despite the Mission/missionary presenting a valid ID card **AND** a LOG having been placed, please do not delay care. Please pay for the care and obtain a detailed receipt/invoice that will then need to be sent to Aetna for reimbursement back to the Church.

Afterwards, please be sure to notify your assigned Aetna Account Manager with details of the interaction as soon as possible. Be sure to include the missionary's full name, Aetna W ID Number, date of service, facility/provider name, facility/provider address, facility/provider phone number, name of person at the facility/provider they interacted with, and (if possible) a copy of the LOG that was placed.

Doing this will allow your assigned Aetna Account Manager to be able to advise the Network Partner who will then make an outreach to the provider to identify why they did not honor their network agreement and resolve.

Out-of-Network/Non-Participating Facilities/Providers:

Please know that in some of the Mission's areas there may not be any facilities/providers that are participating in the network, or the Network Partner's participating facilities/providers may not be the ones you prefer to direct the missionaries to. **For facilities/providers that are not participating in the network, you may still choose to seek or direct those needing care there, however, the Mission will need to be prepared to pay for the care up-front, obtain a detailed receipt/invoice, and submit a claim to Aetna for reimbursement.**

Emergency Care:

Contact the Network Partner for your area as soon as possible, but please know that care should not be delayed. Once contacted, the network partner will coordinate with the facility/provider, participating or not, to attempt to avoid the missionary from having to make a payment to the provider at the time of service.

Non-Emergency Care:

A Letter of Guarantee (LOG) will be required and should be requested by calling/emailing the Network Partner for your area and be prepared with the information outlined on the last page of this document. The Network Partner will then work to place the requested LOG as soon as possible, but this could take several hours depending on the facility/provider's availability. If the request is made after the working business hours of the facility/provider's office, the Network Provider may have to wait until the office is open before confirming that the LOG has been successfully placed.

Reimbursement/Pay and Claim Process

If a Young Missionary uses personal funds to pay for medical expenses that should have been covered by the DMBA/Missionary Medical-Aetna International plan, the Mission office should reimburse that missionary. If the Mission office reimburses a missionary for medical expenses, or if the Mission office pays medical bills directly to a provider, the Mission Financial Secretary should code those expenses to Mission account code **#XXXX900-5949**. When this is done, the funds come from a headquarters Missionary Department medical budget and the local Mission's budget is not affected. The Mission office should then submit a reimbursement claim form to Aetna so that Aetna can reimburse the headquarters account from which the funds came. **Aetna does not send reimbursements to individual mission offices.**

Claim Forms

Claim forms have been customized for the Church that are located on www.missionarymedical.org or www.aetnainternational.com/en/site/lds.html. Please choose the appropriate claim form depending on the method of reimbursement being requested.

All claim forms listed below are available in English, French, Portuguese, and Spanish at www.aetnainternational.com/en/site/lds.html.

1. **Young Missionary - Claim Submission Spreadsheet** (*Reimburse Church*): Reimburse the Church if Mission funds were used. This worksheet allows for multiple claims submissions for multiple Young Missionaries under on one form.
2. **Mission President** (*Reimburse Mission President*): Reimburse Mission President if personal funds were used to pay provider directly.
3. **Senior Missionary** (*Reimburse Senior Missionaries*): Reimburse Senior Missionaries enrolled on the Senior Service Medical plan if personal funds were used to pay provider directly.
4. **Medical Assistance** (*Reimburse Young Missionary or responsible party*): **For use when a Young Missionary is on a Medical Assistance extension ONLY.** Reimburse Young Missionary enrolled on a Medical Assistance extension or the responsible party assisting them if personal funds were used to pay provider directly.

NOTE: Anytime a Young Missionary pays for care, they should obtain and turn in the receipt/invoice to the Mission. Upon presentment of the receipt/invoice, Mission funds should be used to reimburse the missionary the Mission should submit the receipts for reimbursement to the Church using form #1 above.

Pre-Authorization of Specific Care for Young Missionaries by DMBA/Missionary Medical

This is a REQUIRED process in your area. It requires that the Mission President, Area Medical Advisor, or whomever at the Mission is responsible for the care of the Young Missionaries to request pre-authorization from DMBA/Missionary Medical for certain care. Following this process is vital as it ultimately provides DMBA/Missionary Medical the opportunity to review potentially complex medical cases for any impacted Young Missionaries and assist with finding and providing the best options for care.

This process **does not apply** to the Mission President, his family or to any Senior Missionaries.

Also, please note that this pre-authorization requirement does not apply to life-threatening/loss of limb emergency situations or procedures not identified below.

Pre-authorization should be requested from DMBA/Missionary Medical for the following treatments:

1. MRI of head or spine
2. Colonoscopy or Endoscopy
3. Scheduled, non-emergency surgery (**Inpatient and Outpatient**)
4. Requests for **more than 10*** physical therapy visits
***Visits 6-10 should be communicated to DMBA/Missionary Medical for "review and approval." 11+ visits require pre-authorization by DMBA/Missionary Medical.**
5. Requests for **more than 9** mental health counseling visits
6. Cancer treatment or cancer diagnostics (PET scan, biopsy, mass removal)
7. Biologics

When any of these treatments are needed, the process will be for the Mission President, Mission President's Wife, Mission Health Advisor, the Area Medical Advisor or whomever has been authorized by the Mission President to complete an online template at:

www.dmba.com/mmprecert

Once the request is submitted, DMBA/Missionary Medical will coordinate appropriate review and approvals with the Missionary Department.

DMBA/Missionary Medical monitors these notifications and anticipates providing a response within 24 hours of receipt of your communication.

Pre-authorization for these specific treatments is required for the following reasons:

1. To promote global consistency in the pre-authorization of care.
2. Reduce the amount of extensive in-field care provided in the mission. If a missionary's health is insufficient to serve, Missionary Department policy is that they should return home.
3. To protect missionaries, their companions and mission leaders from managing complex treatments which are better addressed by the missionary's family at home.
4. To identify pre-existing conditions that should not be treated using tithing funds.

If you have any questions, please contact DMBA/Missionary Medical by email at MMInternationalTeam@dmba.com or by telephone at 801-578-5650 after dialing the appropriate country code(s).

- **In-Network/Participating Provider Listing:** The most current version of this listing, as provided by the Network partner for your area, can be found on the page for the Area/Region and Location/Country that your Mission is located in, on the custom website that Aetna has created for the Missions at <https://www.aetnainternational.com/en/site/lds.html> or GMMI Provider Portal at <https://costcontainment.gmmi.com/aetna-international-provider-search>.

- **Medical Assistance:** When a missionary is to be given an early medical or emotional release to return home in order to receive treatment associated with an injury or illness that occurs during missionary service outside of the United States, the Mission President contacts the IFR (In Field Representative) at the Church's Missionary Department. A Missionary Change Form is sent to DMBA/Missionary Medical.

If post-Mission Medical Assistance is needed, the IFR will contact the DMBA/Missionary Medical Nurse Team by phone (801-578-5775 or 801-578-5767) or e-mail (MissionaryMa@dmba.com) to formally request medical assistance. The nurse team will retrieve all needed information from the Missionary Inquiry system. If approved, post-Mission Medical Assistance covers the specific injury or illness that began during the missionary's service.

Additional information and resources regarding Medical Assistance can be found on the Medical Assistance pages (available in English, Spanish, French and Portuguese) of the custom website that Aetna has created for the Missions at <https://www.aetnainternational.com/en/site/lds.html>.

- **Senior Missionaries enrolled on the Senior Service Medical Plan (SSMP):** Senior Missionaries are responsible to purchase their own medical insurance. Many Senior Missionaries will purchase the Aetna SSMP insurance. Senior Missionaries should understand their personal medical insurance plans, and they should coordinate their personal medical needs with their specific insurance companies.

The Aetna SSMP plan, and those Senior Missionaries who have elected to purchase it, are not the responsibility of the Mission. No reporting will be sent to the Mission for them. Any Senior Missionary enrolled on the SSMP should not be using Mission funds to pay for their care. It is the expectation of the Church that these individuals will handle the coordination of services needed and any payment needed for their own care as well as seeking reimbursement from Aetna when their personal funds are used. A claim form and other helpful information for all enrolled on the SSMP can be found on the "Senior Missionaries" page of the custom website that Aetna has created for the Missions at <https://www.aetnainternational.com/en/site/lds.html>.
