Using this Benefits Schedule

Some words and phrases have specific meanings, we've highlighted them in bold print and you'll find their definitions in your Handbook.

Before you're treated

It's important you request our approval before you receive treatment for the following treatments and services:

- Medical evacuation
- Inpatient or daycare treatment admission
- Psychiatric treatment
- Prescription for more than three months' supply of drugs for a chronic medical condition
- Single **treatment** or service that costs more than 325 GBP or equivalent

If you're unable to ask for approval because it's an emergency, you or someone on your behalf must let us know about the emergency within 24 hours.

Your deductibles

Annual excess

An annual excess applies to Aetna Pioneer 1750. This is the total excess each member needs to pay towards claims in the plan year and applies to all benefits, except where explicitly stated.

Outpatient coinsurance

We'll apply your level of outpatient coinsurance, as shown on your Certificate of Insurance, to outpatient claims. Once the total amount of outpatient coinsurance you have paid in a plan year reaches the maximum amount, you won't have to pay any more outpatient coinsurance.

Dental coinsurance

We'll apply our dental coinsurances to dental claims under the dental benefits only. See 19 Dental treatment.
