Our international community of health care professionals*

Reliable access to care

Aetna is committed to building strong and secure partnerships with health care professionals around the world — so that you have access to quality care when and where you may need it. That’s why we have negotiated simplified prepayment procedures with thousands of medical facilities worldwide. Called “direct-settlement” arrangements, these agreements make accessing care easier and cover any eligible up-front costs associated with your care or treatment, such as planned inpatient treatment, a maternity stay or day patient services. This is a significant benefit if you’re faced with a more expensive medical procedure.

If you are unable to find a specific health care professional in our direct-settlement database, in the event that you require hospitalisation, we can coordinate a one-time direct-settlement agreement quickly and easily. In fact, we have a 95 percent success rate in negotiating these arrangements. You also have the freedom to pay up-front for care received at any health care professional worldwide, and submit a claim to us for reimbursement.

*The North America region includes health care professionals who participate in the Aetna U.S. PPO Network.

Q. Will the plan cover any illnesses or injuries that I had prior to enrolling in the plan?

A. Existing conditions may be specifically excluded and the terms of any exclusion will be noted on your schedule of cover. These will be assessed at the time of application based on the information you declare to us. Undeclared conditions will be excluded and will invalidate your cover. If your underwriting terms are moratorium, cover for all pre-existing conditions (and related conditions), with the exception of congenital conditions, is excluded during the first two years of membership. After this period, should an eligible condition recur, provided you have been treatment, symptom and advice free for a continuous period of two years since joining the plan, then the future costs will be covered which have been declared and accepted by us in writing.

If you prefer, our Full Medical Underwriting (FMU) option covers pre-existing medical conditions provided you submit a full medical declaration for us to assess. We will agree to either accept all or some of your pre-existing medical conditions and may charge an increased premium, exclude all of your pre-existing medical conditions, or decline cover altogether.

Q. Is there an annual benefit limit?

A. You are able to claim up to an annual maximum of U.S.\$1,600,000 under Major Medical and Major Medical Plus plans, \$2,500,000 under Foundation plan and \$5,000,000 under Lifestyle options. Additionally, certain benefits have sub-limits. You will only be required to pay an excess if you have specifically chosen this option.

Q. Can I seek treatment anywhere in the world?

A. Three geographic coverage options are available for accessing emergency and elective treatment. These include Africa plus India, Pakistan, Bangladesh and Sri Lanka, Worldwide excluding USA; and Worldwide.

Q. Am I covered if I travel outside of my selected geographic coverage area?

A. You are covered for Accident and Emergency treatment outside of your selected geographic coverage area for business trips or holidays. Specifically, this benefit is provided for up to 90 days during the period of cover and limited to a maximum of 60 days of treatment per event.

Q. Is a medical examination required to enrol in the plan?

A. No. In the rare instance that we require additional information for fair and accurate underwriting purposes, we will ask you to submit a medical report from your doctor.

Q. How quickly does my cover go into effect?

A. As soon as we receive a completed application form (fax or original), we can confirm immediate cover for 15 days, subject to underwriter's acceptance and pending receipt of the premium. If you wish to be covered immediately, please dial Executive Healthcare Solutions at **(254) 20 291 0000** or **(254) 709 337 000**. You may also reach us via email at **info@executive-healthcare.com**.

Q. Can my family members also be covered?

A. Yes. Your spouse or adult partner, who is permanently living with you, can be included as a dependant. Also eligible for cover are unmarried children not more than 18 years old and living with you, or not more than 26 years old and in full-time education. Again, this is subject to a completed Application form.

Q. What happens if I want to cancel my cover?

A. You have 15 days from the commencement date of your cover to review your benefits. If you decide to cancel and no claims have been made, we will arrange a full refund of any premium paid, provided we receive a written request to cancel your cover.
